Subject: FOR CLEARANCE BY COB WED -- Concept Note for Hill staff on FY17 CVE and CTPF Requests

Colleagues: When several of us met with SACFO a month ago on CVE, they asked for a more detailed memo explaining the overall FY17 CVE budget request and specifically how CTPF fits in (including the continuity from FY16 to FY17). Last year, we found that providing the Hill with a concept note with a similar level of detail was helpful in securing the FY16 CTPF appropriation.

(You'll note that a lot of the language is similar to other recent CVE-related budget documents we've prepared. We've noted that this is just a "notional" breakdown and may change as planning efforts evolve.)
