

DHS Lead Activities - Strategic Implementation Plan (SIP)

	CVE Task	Lead	CTWG Lead	Description	Status
<i>SIP 1: Enhancing Federal Engagement with and Support to Local Communities that May be Targeted by Violent Extremists</i>					
	1. Provide resources for U.S. Attorneys' engagement activities	CRCL (b)(6) (b)(6)	(b)(6)		Ongoing
	2. Establish National Taskforce led by DHS and DOJ to coordinate community engagement				Completed
	3. DHS/DOJ-led National Taskforce dissemination of best practices guidance to local law enforcement, U.S. Attorneys' Offices, and fusion centers; increase support of departments to U.S.-Attorney field engagements	CRC (b)(6) (b)(6) I&A (b)(6) (b)(6)			
	4. CRCL expansion of quarterly roundtables to 16.	CRCL (b)(6) (b)(6)			Completed 72 roundtables in 2011 in 14 cities, planning to expand roundtables to 16 cities in 2012
	5. DHS engagement with communities targeted by violent extremism	CRCL (b)(6) (b)(6) and Operational Components			
	6. CRCL-led campus youth community engagement plan	CRCL (b)(6) (b)(6)		This plan will engage young adults on violent extremism	
	7. DHS creation of online CVE portal/Hometown Security Webpage	OPA (b)(6) (b)(6)		This portal is a hub for CVE resources and information for Federal, State, and Local partners.	Completed, website launched on December 14, 2011 and sent to key stakeholders on December 15, 2011.
	8. USG-led digital engagement capacity	OPA (b)(6) (b)(6)		The USG will build digital engagement to expand and intensify CVE engagement efforts	Ongoing, OPA publishes blogs and posts key speeches related to CVE. CRCL posts community engagement resources and roundtable information. DHS sent the SIP to all stakeholders.
	9. IISAC Recommendations	HSAC (b)(6)			Completed in August 2010
	10. DHS and NCTC outreach to private sector and foundations on CVE	PDEV/PSO (b)(6)			Ongoing, DHS/PLCY working with One Nation

DHS Lead Activities - Strategic Implementation Plan (SIP)

11. DHS to broker agreements on CVE between communities, local government, and law enforcement	CRCL, FLETC, I&A (b)(6)	(b)(6)		Ongoing, trainings, briefings, best practices, curriculum development
12. DHS to support local CVE programs through existing appropriations	FEMA (b)(6) (b)(6)			
13. HSAC Faith-Based Community Information Sharing Working Group	HSAC (b)(6)		Working group to improve information shairing with faith communities	
14. DHS-led business community engagement	PLCY/PSO/NPPD (b)(6) (b)(6)		DHS to expand business community outreach and educate companies on the threat of violent extremism	
SIP 2: Building Government and Law Enforcmeent Expertise for Preventing Violent Extremism				
15. DHS research on violent extremism	S&T, I&A (b)(6)	(b)(6)		S&T produced 20 reports since 2009; five more to be produced by the end of 2011
16. DHS assessment of the capacity of state correctional institutions to share information on individuals demonstrating behaviors associated with violent extremism	I&A (b)(6) (b)(6)		I&A collaboration with the FBI, Bureau of Prisons, and NCTC to assess capacity of state correctional institutions to share information on potential violent extremists	This Assessment was completed and briefed to the Secretary on March 30th. There are gaps in some sharing and participation in some states. The Correctional, Probation/Parol Officer Training initiative will help address this area of concern.
17. DHS Briefings for fusion centers on violent extremism	I&A, IGA (b)(6)			I&A provided trainings to 12 fusion centers in the past year and 30 since 2008
18. DHS development of case studies on indicators of threats	I&A (b)(6) (b)(6)			December 19th - I&A Analyst Training - Homegrown Violent Extremist (HVE) Indicators

DHS Lead Activities - Strategic Implementation Plan (SIP)

19. DHS exchanges of best practices with international partners	PLCY, I&A (b)(6)	(b)(6)	DHS engagement with the UK, Australia, Canada, Germany, Denmark, the Netherlands, and the EU	DHS working to share case studies, training best practices, and informational products with counterparts in Europe and to announce deliverables with Europol at the G8 Summit in May, 2012
20. Cooperation with Canada on CVE research, messaging, and lessons learned through the Beyond the Border Initiative	PLCY (b)(6) (b)(6)			
21. DHS participation in the Global Counterterrorism Forum's CVE Working Group				
22. Expand intelligence and open source analysis in 1) role of the Internet in radicalization to violence and how virtual space can be leveraged for CVE; 2) single-actor terrorism and lessons learned; 3) disengagement from terrorism/violent extremism; 4) non-al-Qa'ida related violent extremism; and 5) pre-operational indicators of known case studies of violent extremism in the U.S.	I&A (b)(6) (b)(6)			
23. Continue DHS collaboration with the FBI, BOP, and NCTC to 1) improve awareness of the risk of violent extremism in correctional systems; 2) enhance screening of new inmates to detect individuals associated with violent extremism; 3) improve detection of recruitment efforts; and 4) increase information sharing with state and locals on inmates who may have adopted violent extremist beliefs and are being released.	I&A		The Interagency Threat Assessment and Coordination Group (ITACG), a joint partnership between the DHS, the FBI and NCTC continues to work with the FBI led National Joint Terrorism Task Force's Bureau of Prisons (BOP) representatives on the development of a Violent Extremist Radicalization Awareness and Training program for state, county and local correctional and probation/parole professionals.	The training curriculum is in the initial stages of development, with expectations of submission for review and certification by early January, 2012. The first, pilot training event is anticipated to take place in April and is currently planned to be provided in partnership with the Maryland Coordination and Analysis Center (MCAC), and Maryland Department of Training and Corrections.

DHS Lead Activities - Strategic Implementation Plan (SIP)

24. DHS-led effort to improve collection and analysis of homegrown violent extremism	I&A (Steve Mabeus, Jake Braun)	(b)(6)	Creating analytic tools to share with state and local partners.	
25. DHS generated case studies of known and suspected terrorists.	I&A (Brad Parker)	(b)(6)		Completed "Cluster" Document. To be released during the week of December 19, 2011.
26. DHS, FBI, and NCTC briefings to law enforcement, fusion centers, and local officials on how individuals are radicalized to violence.	I&A (Brad Parker)	(b)(6)		Briefed representatives from 47 states, including Major Cities Chiefs and State Homeland Security Advisors.
27. DHS cultural competency training	CRCL (David Gersten)			
28. National CVE Workshop	I&A (Kevin Saupp)			Completed in August, 2011
29. Develop an analytic team focused on supporting local government and law enforcement CVE practitioners	I&A (Brad Parker, Jake Braun)			
30. Development of practitioner-friendly summaries of current research on single-actor terrorism and disengagement from violent extremism.	S&T (Allison Smith)		Provides an empirically informed understanding of the motivations and behaviors associated with single-actor terrorism and disengagement from violent extremism.	Ongoing (to be completed in June 2012)
31. Review of information-sharing protocols to identify ways of increasing dissemination of products to state, local, and tribal authorities.	I&A, IGA (Brad Parker, Jake Braun)			
32. DHS cultural awareness training	CRCL (David Gersten)			Between October 2010 and October 2011, DHS CRCL trained nearly 2,700 law enforcement officials on CVE and cultural awareness at 46 separate events.

DHS Lead Activities - Strategic Implementation Plan (SIP)

33. DHS information bulletin on CVE Training	FEMA (b)(6) (b)(6)	(b)(6)	Agency (FEMA) in October 2011 issued an Information Bulletin on CVE Training, which includes DHS's training guidance and best practices as well as guidance for state, local, and tribal entities that regularly leverage FEMA grants to fund CVE-related trainings.
34. DHS guidelines for information-driven community oriented policing practices	FLETC (b)(6)		These guidelines were reviewed and validated in February 2011 at a "proof-of-concept" session at the Federal Law Enforcement Training Center (FLETC)
35. DHS development of CVE curriculum for federal law enforcement	FLETC (b)(6)		
36. DHS establishment of internal committee to review all directly funded and issued DHS training on CVE	CVE Working Group		
37. Develop CVE curriculum for front line officers	DHS, LAPD, NCAP	DHS, in partnership with the Los Angeles Police Department and the National Consortium for Advanced Policing, is developing a CVE curriculum that includes a 16 hour continuing education module for executive and front line officers as well as a 30 minute module that will be introduced at police academies. Both will be certified by the Police Officers Standards and Training Council.	In October 2011, the Major Cities Chiefs Association passed a motion to adopt and implement the DHS CVE curriculum, which will be piloted with state and local law enforcement in San Diego by the end of 2011. By 2013, DHS seeks to (1) implement the curriculum across the country on a regional basis; (2) develop a national network of trainers and subject matter experts who can administer the training and keep it current; and (3) build an online component for the curriculum.
38. DHS, via FLETC, will update current federal training programs to integrate the CVE curriculum for federal law enforcement in the coming year.	FLETC (b)(6)		

DHS Lead Activities - Strategic Implementation Plan (SIP)

39. DHS is working with European law enforcement partners to share best practices and case studies to improve training, community policing practices, and operational information sharing.	PLCY, I&A (b)(6)	(b)(6)		
40. DHS CRCL is expanding and institutionalizing its CVE and cultural competence training curricula to further enhance the material and its effectiveness.	CRCL (b)(6) (b)(6)			
41. DHS is working to increase funding available to integrate CVE into existing community oriented policing efforts through fiscal year 2012 grants.	FEMA (b)(6) (b)(6)			
42. The Interagency Working Group on Training will facilitate a "train the trainer program" to increase the reach of CVE training.	CRCL/FEMA			
43. The Interagency Working Group on Training will facilitate the development of an online training program				
44. The Interagency Working Group on Training will collaborate with non-security partners, such as ED, to build CVE training modules that can be incorporated, as appropriate, into existing programs related to public safety, violence prevention, and resilience.				
45. DHS, FBI, and NCTC will expand briefings and information sharing about violent extremism with state and local law enforcement and government.	I&A			
<i>SIP 3: Countering violent extremist propaganda while promoting our ideals</i>				
46. Expanding efforts to raise community awareness about the threat of radicalization to violence	CRCL			

DHS Lead Activities - Strategic Implementation Plan (SIP)

SIP 3.2: Communication to the public	47. Learning from former violent extremists, specifically those who can speak credibly to counter violent narratives	I&A			
	48. Providing grants to counter violent extremist narratives and ideologies, within authorities and relevant legal parameters	FEMA			
	49. Brokering connections between private sector actors, civil society, and communities interested in countering violent extremist narratives.	PSO			
	50. Increasing technical training to empower communities to counter violent extremists online, including the development of training for bloggers.	I&A			
	51. Providing regular briefings to Congress, think tanks, and members of the media.				
	52. Creating programs to directly engage the public on the issue.	OPA			
	53. Building a public website on community resilience and CVE.	OPA
