Hey [redacted]

B6

It was definitely sad, but a good tribute. Like you said...amazing and awful.

I will find out if [redacted] is still there. I thought he was supposed to check out, but I'm not sure if that happened or not.

B6

Arlington may happen next week (I'm hearing the 22nd possibly), but his family may opt to wait until the Squadron gets back. MTF.

Lastly, that sounds very thoughtful about the letters. They could put them together and you could either blast them to [redacted] on their behalf, or give to [redacted] and he can do it. If you blast to [redacted] just CC [redacted] so he is tracking and doesn't get blindsided later on.

How was it on Friday? Was thinking of all you guys and the family all day. I'm sure it was amazing and awful all at the same time. Let me know when Arlington is happening. Also is [Redacted] still up at Bethesda? I have time tomorrow to go up.

B6

Finally - Deputy Assistant Secretary for CT Bureau would like to send condolence letter to the Owens family as well as [Redacted] and family. How can we do that?

B6

Thanks.
