Following up on an internal discussion some of us had earlier in May about “countering violent extremism” and the role of HHS in the federal efforts to do so, I’m going to schedule another meeting/call. DOJ has shared a draft (attached) of a potential technical assistance guide for local communities that proposes that:

(b)(5)

As you will see, the document is very draft. But I think we need to discuss how to respond and what suggestions we may wish to offer as the inter-agency task force moves forward along these lines. If people have questions or comments in the meantime, please let me know, and feel free to tell me of others in the department we should be including in the discussion if I’ve missed them.
