CERTIFICATE OF APPRECIATION

to

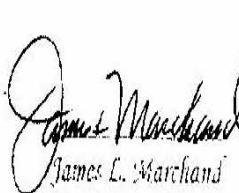

(b)(5)

for your support of:

Houston Area Enhanced Visible Intermodal Protection Response (VIPR) Operation

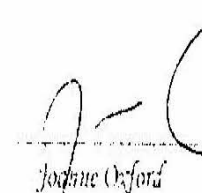

held on the Houston Metropolitan Transit Authority Light Rail & Bus System (on 2-8-2007)

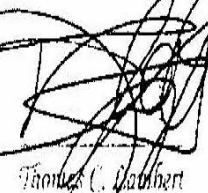

The mission in using integrated assets from the Transportation Security Administration and Metropolitan Police Department was to increase uniformed presence on rail and bus transportation and to deter crime. The operation was a total success. Your dedication and professionalism in securing Metro is a real asset.
