I should have a more detailed info paper for us to use by tomorrow. I also attached a CENTCOM slide that describes expected duration, expected range, and requested delegation.

As for staffing the I'm told the SecDef signed out the package and they're expecting a DC to discuss/coordinate on this probably next week.

Please use for your understanding and do not share the products with the IA Lawyer's group.

Team FO

Please find attached the latest version of the Shabwah support proposal.

The package addresses, reconciles, and incorporates all of A/USDP's edits and all of Mike D'Annunzio's edits and comments from the weekend.

We are pushing you and GC concurrently. Thanks for your continued support.

Best,

(b)(6)

Josh, no concerns with draft. We'd probably need to simplify the writing a bit if this is goes mil-to-mil, but would defer to your style for diplomatic writing if it stays in those channels. I'm happy to defer to those diplomatic channels.
