[Redacted]

(U) EO 12333, Section 2.5, reads as follows:

"The Attorney General hereby is delegated the power to approve the use for intelligence purposes, within the United States or against a United States person abroad, of any technique for which a warrant would be required if undertaken for law enforcement purposes, provided that such techniques shall not be undertaken unless the Attorney General has determined in each case that there is probable cause to believe that the technique is directed against a foreign power or an agent of a foreign power. Electronic surveillance, as defined in the Foreign Intelligence Surveillance Act of 1978, shall be conducted in accordance with that Act, as well as this Order."

Re: (U) 66H-HQ1234599, 03/31/2006

General questions concerning Section 2.5 authority requests should be brought to the attention of NSLB. After a request is made, questions concerning the status of the request should be directed to the appropriate FBIHQ program manager who is ultimately responsible for processing the request for the requesting office.
