BDO HIGHLIGHT

(b)(3):49 U.S.C. § 114(r)

Take Away -

BDOs Are Vigilant Inside and Outside of Their Airport! Any suspicious activity related to transportation security may be an indication of a threat. This is a great example of BDOs performing their skills in an assertive and proactive manner.

WARNING: This record contains Sensitive Security Information that is controlled under 49 CFR parts 15 and 1520. No part of this record may be disclosed to persons without a "need to know", as defined in 49 CFR parts 15 and 1520, except with the written permission of the Administrator of the Transportation Security Administration or the Secretary of Transportation. Unauthorized release may result in civil penalty or other action. For U.S. government agencies, public disclosure is governed by 5 U.S.C. 552 and 49 CFR parts 15 and 1520.

Best Practices iShare

YOUR COLLEAGUES NEED YOUR HELP; PLEASE REMBER TO SHARE YOUR BEST PRACTICES.....

How to Post Your Best Practice

Click on the Best Practices tab on the Manager's Station ishare page. Click "Share your idea" from the left-hand menu. When submitting, you will be asked to select a category from several options. Please choose the category that best describes your idea. If you have any related and supporting documents for the idea, please email them directly to bestpracticesdocs@ishare.tsa.dhs.gov. Once an idea or best practice is submitted, it will be cleared through the Program Office before posting on the Best Practices Share site. Once posted, the idea will be an approved "Best Practice" so that other programs will be able to implement it locally.
