IP,

Please see below/attached for an urgent coordination request we received from CRCL. Per an earlier e-mail from your office, I understand your CVE SMEs are expecting this task.

Please advise with comments/clearance by **3:00PM TODAY**. I apologize for the short suspense, but no extensions can be granted. Due to this short review window, this task will not be issued via ESTT.

Thanks,

(b) (6)

Required Coordinators:

CRCL requests your comments/clearance on the attached Briefing Memo and Talking Points for S1s upcoming event in Pennsylvania. Please note the attendees list from the host is still pending, and the location address listed in the original tasker is incorrect but has since been updated.

**Our apologies for the quick turnaround; however, we ask for your clearance NLT COB today.**

For questions, please contact (b) (6) (copied here).

Sincerely,

(b) (6)
