Heather,

The materials are due to ESEC tomorrow. We'll need as much time as we can get. We can shoot for mid day tomorrow. There are still a lot of unknowns. The Front Office should know that.

FYI - the lead was transferred to NPPD for this task. I will send officially via ESTT shortly, but I wanted to send you via e-mail ASAP. With a final 1600 suspense to ESEC, I'll request materials by 1400 today. Thanks!
