## Situation

The Nuclear Security Summit is a forum for leaders to engage with each other and reinforce commitments, at the highest levels, to securing nuclear materials. This event, hosted by President Obama, will bring 38 foreign leaders and four international organizations to Washington, DC. The Summit will continue discussion on the evolving threat and highlight steps that can be taken to minimize the use of highly-enriched uranium, secure vulnerable materials, counter nuclear smuggling and deter, detect and disrupt attempts at nuclear terrorism. The event will be held March 31 – April 1, 2016, at the Walter E. Washington Convention Center in Washington, DC.
