CNA National Security Seminar Series
The Evolving ISIS Threat and Implications for the
U.S. Homeland

Wednesday, March 2 from 10:30-12:00, 3003 Washington Blvd,
Arlington.

This seminar will explore the changing nature of the threats posed by the Islamic State of Iraq and Syria (ISIS) and will consider security, preparedness, counter-radicalization, and public safety implications for the U.S. homeland.

Our panel will include leading experts, including the following:

- (b) (6) [REDACTED]
