I Walk The Line: 200

What is Walk The Line?

It is a brief verbal exchange while remaining mobile.

I Walk The Line: 400

Why is unpredictable screening important for security?

It is important because if someone knows where you are at all times and your pattern of work activity, it would be easy to circumvent that and get around certain types of screening.

Back

I Walk The Line: 600

Where are BDOs located during Walk the Line?

BDOs will be located near the TDC. This is the immediate area in front of a screening checkpoint, extending out to the end of the screening checkpoint queue area.

Back

I Walk The Line: 800

How is Walk the Line conducted?

Walk the Line should be conducted in pairs, if possible. One BDO should move along the queue and observe individuals' behavior cues and observation factors. The second BDO should observe the entire area and individuals for any reaction to his or her partner. The second BDO should also be making his or her own observations of individuals.
