All,

We are trying to work out the timing for the meeting next Friday to discuss the CVE matter and wanted to make sure we had all the parties (NCTC, DOJ, DHS and FBI) at the table to discuss capabilities. I have included DHS as they are one of the four members of the DC CVE Task Force. [redacted] and [redacted] have another meeting on that day so we wanted to make sure it is not conflicting. We will advise as soon as we have confirmation of a date, time and location.

Thanks

One point of clarification. Atlanta EM would like to convene on the 18th to coordinate prior to meeting with [redacted] o the meeting with him is TBD.
