(b)(6)

I have worked with FPS/GSA to secure meeting space for S1's visit to Boston on Friday 12/5/14. I toured both rooms this afternoon and they will be suitable.

We have reserved two rooms on the first floor lobby section of the Thomas P. O'Neil Federal Building, 10 Causeway Street, Boston, MA 02222. The rooms are reserved from 8A-1P on 12/5/14.

Room Descriptions:

Executive Conference Room: (S1's meeting with local, state and federal law enforcement).
The room holds approx. 35 people

Conference Room C: (Press Availability)

There are currently tables and chairs in the room which can be removed. There is a podium, however you will need a backdrop for S1's remarks. There is enough room to handle your media needs.

Both rooms have easy access to the street and motorcade.

As for recommendations on local, state and federal law enforcement, I would inquire with (b)(6), (b)(7)c SAIC, USSS, Boston Field Office, to identify the proper local law enforcement executives, however I have provided the DHS Executive Council Roster, as an attachment above and several other names which may be useful below. If I hear back from (b)(6), (b)(7)c will let you know.

(b)(6), (b)(7)c

Hope that helps.

Have a good Thanksgiving!

(b)(6), (b)(7)c appreciate your help in coordinating this meeting for Secretary Johnson.

The meeting will be the morning of December 5, from 8:30 – 9:30am. Ideally, the space will be a DHS space, but will certainly go where we can accommodate a conference room for 30 people. At 9:30, the Secretary will be holding a press availability, so to the extent there is a room or area where we can have a podium and allow press to set up, that is also essential.

The purpose of the meeting is for the Secretary to meet and hear from Federal partners (local DHS and DOJ partners) and state and local law enforcement on what community engagement in Boston looks like from their perspectives. As it relates to countering violent extremism, radicalization to violence, and the ability for DHS to support community-driven intervention and prevention (risk mitigation) programming, the Secretary would like to convene a discussion with these critical partners.

Look forward to speaking with you later today.

Thanks again,
