All,

Please see the attached draft of the memo to S1 regarding progress on recommended actions as set forth in the Oct. 26, 2012 memorandum. I have grouped some of the recommendations together to avoid redundancy. I propose attaching the original memo for reference. Please review and provide comments to me NLT noon tomorrow.

CRL/OTE, you will note that I have highlighted a section pertaining on notification of allegations of discrimination that you will need to augment

I would suggest that CRL/OTE route the memo through the clearance process once we have incorporated edits tomorrow afternoon for ease of clearance and coordination with DHS ORCL.

Thanks
