Subject: SAR Push from MDPD to eGuardian

[REDACTED]

Tom and I plan to walk [REDACTED] thru the process to push the SARs from the Shared Space to eGuardian at 11am EST. I believe that we will ask her to push 2-3 SARs.

I will let you know the SAR numbers that she pushes so that we can track it from there until it reaches eGuardian. After that, we will let the eGuardian folks know. I just wanted to let you know what is being planned for today

Thanks,
[REDACTED]
