Tom,

Here is the update on the test push. we now have live SARs pushed through the process. We can now have eG evaluate the push and then we can open it to all participants. I think this is a success in cooperation and allows a valid test so no issues delay a valid process.

David

Subject: Update on SAR Pushes to eGuardian

Hi David,

Hope you were not hit very hard by the snow over the weekend. I wanted to give you an update on the status of the SAR pushes to eGuardian

Participant Site	Status
MDPD	Pushed 5 SARs to eGuardian
FDLE	Pushed 5 SARs to eGuardian on 12/17/09
NYSIC	Pushed 5 SARs to eGuardian on 12/17/09
VA	Pushed 5 SARs to eGuardian on 12/17/09
Chicago	[REDACTED] had agreed to do the test. Will follow up today
LAPD	[REDACTED] had agreed to do the test. Will follow up today

Houston	Left messages but no response
Boston	Left messages but no response
MPD	Left messages but no response
LVPD	Left messages but no response.

I will follow up again with all these sites and see if we can get them moving and will update you in the evening

Thanks,
