Subject: CP3 Materials for CRCL Translation.

Good morning Kathy,
 I am following up on our conversation from two weeks ago about working with CRCL to translate CP3 materials into various AAPI and other languages. Thank you for offering CRCL's support in this matter. I am attaching the list of documents and the below links for this purpose. CP3 defers to CRCL's expertise in this area as far as selecting the appropriate languages for this purpose. Thank you again for your leadership on this effort and please let me know if I may be of any assistance. Our SME and POC on this issue from the CP3 side is (b)(6) (copied here).
