I am good with the new proposed language. I think it does a good job capturing what we discussed yesterday.

Thanks,
John

Good morning (b)(6)

Sorry for the delay in getting back to you on this. Here at CRCL we've had multiple side bar meetings and email discussions concerning this bullet point.

(b)(5)

Let me know if you want to talk about any of this, thanks a lot the extra time and the chance to review,

V/r.,
