Thanks to everyone for joining us today.

As discussed, I have attached the following documents:

1. CVE Model Program Framework. This was done for each of the 3 pilot cities: LA, Boston, and Minneapolis.
2. CVE Inventory. Developed by US Attorneys Office, District of Massachusetts, for use in Boston.
3. CVE Marketing Plan. This is still in draft form and has not been approved yet. So, if you have any further input, please add as needed.

Thanks
