All – please see the attached read-out from last week’s Domestic Radicalization IPC and the attached DRAFT Strategic Implementation Plan (SIP) for Empowering Local Partners to Prevent Violent Extremism in the U.S.

These documents are for your situational awareness only. Future coordination efforts on the SIP will be coordinated through the CVE Working Group as had the previous IPC tasking.

We will make sure to keep you all posted and ensure that read-outs are sent regarding all IPC efforts moving forward.

Thanks,

-Nate
