Hi Farah and Adnan,

Below please find a draft suggested email and referenced attachments for you both to send out to the HSAC CVE subcommittee members. Since we want to get this out quickly, if we don't hear from you sometime today, we can go ahead and send out on your behalf. Thanks and please let me know if you have any questions, Lauren

Homeland Security Advisory Council CVE Subcommittee Members,

It was great to speak with you all last week, and we are very excited about what we will be able to accomplish together via this new subcommittee.

Per our discussion, please find attached a variety of suggested read-ahead materials on CVE. In addition, please review the focus areas outlined in the attached FRN and tell us which area(s) you want to focus on in your role as a subcommittee member. Please also give some specific thought to SMEs the Subcommittee should engage vis a vis education, mental health, and Silicon Valley/venture capital fund sec
