

Office of Public Engagement

Week of February 15

- On **February 11**, the Aspen Institute Homeland Security Group will meet with Secretary Johnson following his annual State of Homeland Security address at the Woodrow Wilson International Center for Scholars. The meeting is closed to the public and press.
- On **February 18**, the HSAC will hold a bi-weekly preparatory call for the members. Brian Kamoie, Assistant Administrator of FEMA's Grant Programs Directorate, will provide an overview of the Fiscal Year 2016 Notice of Funding Opportunity announcement for the non-disaster preparedness grant programs. The call is closed to the public and press.
- On **February 19**, the HSAC's Countering Violent Extremism Subcommittee will meet in person with various subject matter experts to discuss emerging trends and issues related to areas focused on countering violent extremism. The meeting is closed to the public and press.
