Here is the latest version of the FBAC memo. Is there anyone else you would like to share this with besides Alan Bersin and Phil? Maybe George? You sent it to Bob Kolasky but I don't think he provided any feedback.

FFTF has been dormant since they gave their report in May. Now that the CVE subcommittee is moving ahead on an aggressive schedule, do you think FFTF should sunset?

Let me know if you want to find a few minutes to talk about both of these.

Thanks,  
Erin
