HSAC members,

As promised, please find attached the Countering Violent Extremism Working Group recommendations report for your review over the next week. The rather large working group worked diligently over the past several weeks to put together actionable recommendations. Special thanks to all of the HSAC members who participated in the Working Group.

Next week's public conference call to deliberate over the attached recommendations will take place at 4 pm Eastern/1 pm Pacific. Governor O'Malley, the chair of the Working Group, will be giving a brief summary of the recommendations prior to opening up the call for your comments, recommendations edits and vote. The public will be in "listen-only" mode for the conference call.

The call-in information for the call is:
