Subject: RE: FFTF Follow up

All – I wanted to share with you all these documents before the meeting next week.

They are resources that have been developed at the local level pertaining to violent extremism prevention and intervention efforts.

Also, I have attached a great research product from START and media report on the WH CVE Summit a couple months ago.

I am still following up on the question on radicalization and recruitment to violence RE: women, and hope to get back you all shortly on that.

Please let me know if there is anything else I can do, thanks.
