**Subject:** Sub-IPC on CVE Training May 23rd

All – as discussed on the last CVEWG call, there is a sub-IPC on CVE Training that is set for May 23<sup>rd</sup> from 3-5PM at the CRCL office in NOMA.

It has been a while since the sub-IPC last met.

Many of you may have received an initial calendar invite; the discussion will be operationally focused on updates in training and what the interagency can do to coordinate and leverage resources for CVE related training purposes.

There have been some developments since the last meeting.

Please see the attached tracker, it needs some slight updating, but nothing substantial.

If you have updates/edits, please send them to (b)(6) by COB Wednesday May 22<sup>nd</sup>.

Thanks,

(b)(6)
