

FY2017

Federal Assistance\$2.5B (789 FTE)

The budget includes \$2.5 billion for a variety of Federal Assistance programs. FEMA provides grants, training, exercises, and other support to assist Federal agencies, States, territories, and tribal and local jurisdictions to mitigate, prepare for and recover from terrorism and natural disasters. These funds include Firefighter and Emergency Management Performance Grants that support local first responders in achieving their missions, and grants targeted at Countering Violent Extremism and supporting State and local government efforts to prevent, prepare for, and respond to emergent threats from violent extremism and complex, coordinated terrorist attacks.

FY2016

FY16 Funding for State and Local Government Programs for Countering Violent Extremism (HSGP) - \$1B for state, local, tribal, and territorial efforts to prevent terrorism, other catastrophic events, and prepare the Nation for the threats and hazards that pose the greatest security risk to the United States.
