Narrative Continuation

On 8/24/2020, at approximately 8:43am (CST), I, Inspector (b)(6); (b)(7)(C) was notified by Battle Creek Mega Center (BCMC), via my duty cell phone, concerning some government property damage at the Social Security Administration (SSA), 5624 6th Avenue, Kenosha, WI.

At approximately 8:45am (CST), I arrived at the SSA and met with the SSA Manager, (b)(6); (b)(7)(C) I conducted a security check of the perimeter of the SSA and discovered two (2) broken windows, along the 6th Avenue street side. One window appeared to have had an large concrete rock thrown through it and the other window appeared to have been smashed with an objected.

The night before the reporting of this incident there was a police officer involved shooting in the city of Kenosha, WI at approximately 5:00pm (CST). Protesters gathered and eventually became violent. A curfew was ordered. Unconfirmed reports that the National Guard will have a limited mobilization at the request of local officials.

(b)(6); (b)(7)(C) stated that he discovered the broken windows upon his arrival at the SSA around 8:00am (CST). I asked (b)(6); (b)(7)(C) if an alarm went off from the broken windows and he stated, "no". There are no glass break sensors in that area. (b)(6); (b)(7)(C) went on to say that he did not receive a call from BCMC concerning an alarm going off during the time of civil unrest. (b)(6); (b)(7)(C) estimated the total damages to the windows as being around \$1,500 (\$750 for each window). There was no other damage to government property. There is no exterior camera footage of the incident captured along the 6th Avenue street side. Upon my departure (b)(6); (b)(7)(C) was working with the General Service Administration (GSA) to have the windows boarded up.

At approximately 9:15am (CST), I spoke with the Pastor of the Day Break Church, Pasto (b)(6); (b)(7)(C) via my duty cell phone. His church is across the street from the SSA. I asked if he had any video footage from cameras on the perimeter of the church that may be angled in the direction of the SSA. Pastor (b)(6); (b)(7)(C) provided footage that shows an unknown male throwing a concrete rock through the SSA window on 8/24/2020 at approximately 12:17am (CST). The video also showed approximately 50 to 60 people walking down 6th Avenue as well as cars moving through the area. The video was unable to obtain any facial recognition or any identifiable features of the unknown male.

The SSA office is supposed to be moving from this location to their new office on Friday, 8/28/2020. The new location is 3915 30th Avenue, Kenosha, WI (building number (b)(7)(E))
