

Important Information About Your Social Security Number Pinout

To protect the integrity of the Social Security number and prevent fraud, effective August 1, 2010, the Social Security Administration will no longer provide Social Security number pinouts.

How to get proof of your Social Security number

If you need a replacement card, complete an application, provide Social Security with the required documentation, take or mail the application to your local Social Security office, and wait for your new card.

If you need a replacement card, please visit www.ssa.gov/replacecard.
