Can you add the original location of the (b)(6); (b)(7)(C) shooting incident? I think it's about a block from the new SSA location.

Updated information. The SSA office move is probably postponed until 9/11, but the office is currently closed up. The equipment remains in the old office space.

Good Morning,

Attached is a graphic of FPS-protected facilities in Kenosha, WI.

Technically there is one federal facility in Kenosha. The SSA (b)(7)(E) downtown, near the county Courthouse is closed up as its tenants are moving to the new SSA, Washington Plaza (b)(7)(E) this Friday, which is several blocks away.
