Subject: Kenosha mutual aid

Last night we sent two officers to assist Kenosha. The plan is to try and continue that through Sunday. If anything flares up in our area we would need to pull back our assistance to Kenosha.

Are any of you interested in assisting with this mutual aid request? The meet up time at Bradford High School would be 6pm and release time is fluid but last night they were back by 3:45am. Please let me know if you'd be interested and which day(s), starting tonight through Sunday. The plan would be to send two squads, each with a supervisor and an officer. We will continue to re-evaluate our response on a daily basis.

Thanks,
Rhett

Subject: RE: Kenosha mutual aid

Things have been much quieter in Kenosha the last two nights and those we have sent the last two nights were not utilized much. Due to the situation calming down and the overwhelming law enforcement/national guard numbers there, we will not be sending anyone else for the time being.

Thanks,
Rhett

Go ahead and hire the full shift. I'm going to talk to Ferg tomorrow about adding supervisors to this. We could then send two squads, each with a supervisor. I think there'd be interest in helping out. I'd be willing to help out a night or two. If he gives the ok, I'll send an email tomorrow morning.

I will only need to hire one to cover the shortage tomorrow night. I would like to offer it to the off group but by contract it was to be a whole shift, otherwise the officers before or after the shift. Are you ok with hiring a full shift rather than calling in late shift at 5PM?
