CASE# 2020-00047365

**NARRATIVE**

August 26<sup>th</sup> 2020:

20-47365

Tonight at about 12:30am I was assigned to an unmarked vehicle during the civil unrest that was taking place in Kenosha. I was with Detective's Pfeffer and Traxler. Our assignment was to look for aggressors such as armed subjects that posed a threat to law enforcement and civilians. While I was driving at 60<sup>th</sup> Street and 8<sup>th</sup> Avenue I saw a male dressed all in black. I saw that his hood was up and he concealed his face and his long gun against a brick monument that was located at the n/w corner of 60<sup>th</sup> Street and 8<sup>th</sup> Avenue, Christ the King Church.

I saw that the figure was kneeling behind the brick monument and looking east towards a group of squad cars that had gathered at 59<sup>th</sup> Street and 7<sup>th</sup> Avenue. I was concerned that the figure had taken that position to open fire on the police officers or civilians that were out in the street.

The City of Kenosha had also issued an emergency curfew that was in effect since 7:00pm.

At one point during my observations of the figure I saw the figure raise the gun up as the figure was kneeling and point it towards the squad cars.

I continued to observe the subject and saw that the figure was surrounded by a group of people dressed in a similar fashion. I could see that those persons were providing this figure with "cover or concealment" so as not to be detected by law enforcement.

After several moments the figure stood up without firing and walked away north bound. I followed after the figure and kept constant visual contact with him. I saw that as he walked he kept the long gun (assault style ) pressed against his body concealing it as he walked. Several times as he walked I could not see the gun. Once he was some distance away from the other persons I activated my emergency LED red and blue lights and we attempted to stop the figure. The figure ran away west on 59<sup>th</sup> Street from 8<sup>th</sup> Ave looking back at our car. The figure ran around the concrete barricades and continued to run towards 10<sup>th</sup> Avenue and then north where Det. Pfeffer and I exited our car. We were wearing external ballistics vests with our department badge and "POLICE" logo on our vests. We exited the car identifying ourselves as police. We yelled out, "POLICE, drop the gun" countless times but the male still refused to comply. At one point the male raised the stock of the long gun up while still pointing the muzzle down (low ready). It appeared that the male was identifying his target before engaging it with fire. Det. Pfeffer and I continued to

give him orders while seeking cover behind a telephone pole and the car we were in.

The figure then lowered the gun and followed our instructions to get on the ground.

We then approached the male and handcuffed him. We took custody of him and his gun and left the area very quickly as other unruly persons were beginning to approach us and surround our vehicle.

The male subject stated that his name was Jesus Alberto Lopez [REDACTED] 999. He stated several times that he was here to protect his family but could not account where they were. He also stated that he had a CCW. He made these statements as excited utterances and appeared to be justifying his actions by stating that "everyone else has guns out here".

Jesus was taken to the Kenosha County Jail where he was arrested on the following charges:

- Disorderly conduct w/ armed
- Intentionally point a firearm at a person
- Obstruct police
- Emergency Curfew .

Jesus was subsequently released from custody after posting bond.

A records check revealed that he has no CCW permit.
