Subject: RE: Late shift staffing concerns/likely CDU call up

Update to the update:

After conferring with the A/C, CDU members will not return to cover MFPD shift- their 8+ hours will be with CDU. Ryan Young said he is NOT working CDU on Monday and will be in for late shift. Matt Meinel was advised that he will be assigned to CDU on Monday.

Per Ryan, CDU has sent out the page and is looking for availability and it is unknown whether or not all CDU members will be needed for the next 7 days. More to follow.

Thanks,

John

Update:

New information is that CDU is asking their guys to be available 4 p.m. to 12 midnight. What this means is: I will likely still need two extra from Days, but the two extra from Early Shift will be sent home if/when the Late Shift Officers return before 3 a.m.

Thanks,

Sgt. Joseph

Sgts.,

I've received word from CDU members that they are planning another call up to help with the unrest in Kenosha tonight, 8/24/2020. Staffing is going to be an issue on Late Shift. We already have pre-scheduled OT coverage, with Eckert and Kaiser holding over from Early, and Helland and Strom coming in from Days. I could use two more Officers from each shift, since the two Officers I do have are both on CDU. Could you each please arrange to have two additional Officers hold over/come in for Late Shift coverage?

Thank you,

Sgt. Joseph
