Subject: Summary of 8/23/2020 CDU call up

Capt. Neyhart,

Last night, Officers Young, Meinel and Gholson were called up by Waukesha CDU to assist with the unrest in Kenosha. You and I spoke shortly after that, at around 11:15 p.m. We were able to hang on to Officer Schwechel, and Officers Kaiser and Eckert came back in at around 11:30 p.m., all staying until 3 a.m. CI Hansen came in as scheduled at 3 a.m. I called all of oncoming Day shift except for Officer Lawson, since he is on CDU. Only Officer Naker called me back, and he came in at 3 a.m. as well.

At around 5:15 a.m., I heard from the CDU members that they were getting ready to leave Kenosha and head back. There were no reported injuries or otherwise noteworthy incidents from the CDU members.

I made an entry in the Supervisor Log, and also an entry in Officer Naker's Supervisory File for actually getting back to me and coming in early.

Please advise if there is anything else you'd like on this.

Thanks,

Sgt. Joseph
