	G. Bell Director		01.26.18

PURPOSE

To set forth the approved radio ten codes for use by the WCC and police agencies served by the WCC.

SCOPE

This SOP applies to all WCC employees and police agencies served by the WCC.

DEFINITIONS

WCC	Waukesha County Communications
-----	--------------------------------

POLICY/PROCEDURE

Attached is the approved police radio ten codes for use by the WCC and police agencies served by the WCC. All WCC employees and employees of police agencies served by the WCC shall use the codes when communicating via the radio talk groups. These codes are selected to assist with brevity, confidentiality, as well as officer safety.
