Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations  
From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations  
Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E)  
(b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

THE WHITE HOUSE  
Office of the Press Secretary

For Immediate Release

January 27, 2017

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations  
From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations  
Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director

Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the

EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ([REDACTED] (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at ([REDACTED] (b)(6), (b)(7)(C)) ([REDACTED] (b)(6), (b)(7)(C)) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at ([REDACTED] (b)(6), (b)(7)(C))

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

**Subject:** Executive Order Questions Field Operations Atlanta

Good Morning,

Field Operations Atlanta ports have some questions for clarification regarding the EO.

For crewman subject to the EO needing medical attention at a hospital/clinic are there any special procedures/requirements?

For crewman subject to the EO that may be ending their time aboard the vessel and are going to depart OCONUS by air, are there any special procedures/requirements?

Do the provisions of the EO apply to individuals who claim multiple nationalities, one of which is on the list of 7 countries? Examples include:

- a citizen of the United States who is also a citizen of a listed country and presents themselves as a non-immigrant from the listed country
- a citizen of a non-listed country who is also a citizen of a listed country and presents themselves as a citizen of the non-listed country

Do the provisions of the EO apply to Lawful Permanent Resident members of the U.S. armed forces? Would official travel orders change the applicability of these provisions?

If we have a crewmember from one of the countries who doesn't have a visa (and is denied landing) are they reportable? None of the categories on the "reporting" chart seem to apply.

Thanks.

The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. **ACTION MEMO FOR ACTING SECRETARY (b)(6)**

FROM: PRM (b)(6), (b)(7)(C)

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

**Recommendation**

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6), (b)(7)(C) Disapprove \_\_\_\_\_

**Background**

(SBU) The Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that "the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States."

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department of State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

To further the implementation of the Executive Order, consistent with the principle in Section 5(e) recognizing due consideration for travelers who were in transit and for whom denying admission would cause undue hardship, ports of entry shall take the following actions for those limited number of travelers subject to the Executive Order currently in CBP custody. Ports of entry should assess those individuals by referring them for a (b)(7)(E) examination, and where no derogatory information exists, consideration for a waiver pursuant to Section 3(g) or 5(e) as appropriate. If derogatory information is discovered during the examination, the case should be referred to up the chain to determine appropriate next steps. In any event, no alien subject to the Executive Order may be subject to Expedited Removal or another immediate form of removal. For any alien currently in CBP custody who had previously been processed for Expedited Removal and not yet removed, please re-process according to this guidance. Has there been any guidance specific to maritime crewmembers? Would like to clarify how to handle in case we see any.

Should D-1s just be refused and detained on board or processed for waiver?

Any special reporting requirements?

Detain LPRs on board while processing waiver?

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Oder Reporting attached.

Please use this version of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the CATs email address when responding.

The next report is due by 1500 hours (EST).

Also required is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

**MEMORANDUM FOR:** Directors, Field Operations

**FROM:** (b)(6), (b)(7)(C)  
Deputy Executive Director, Operations (Acting)  
Office of Field Operations

**SUBJECT:** Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C) 1850. For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(7)(E).

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact (b)(6), (b)(7)(C), of my staff. Thank you.

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

Thank you,

WASHINGTON

February 1, 2017

MEMORANDUM TO THE ACTING SECRETARY OF STATE, THE ACTING ATTORNEY GENERAL, AND THE SECRETARY OF HOMELAND SECURITY

FROM: Donald F. McGahn II – Counsel to the President

SUBJECT: Authoritative Guidance on Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

## **DEPARTMENT OF HOMELAND SECURITY RESPONSE TO RECENT LITIGATION**

The Department of Homeland Security will continue to enforce all of the president's Executive Orders in a manner that ensures the safety and security of the American people. The president's Executive Orders remain in place—prohibited travel will remain prohibited, and the U.S. government retains its right to revoke visas at any time if required for national security or public safety. The president's Executive Order affects a minor portion of international travelers, and is a first step towards reestablishing control over America's borders and national security.

Approximately 80 million international travelers enter the United States every year. Yesterday, less than one percent of the more than 325,000 international air travelers who arrive every day were inconvenienced while enhanced security measures were implemented. These individuals went through enhanced security screenings and are being processed for entry to the United States, consistent with our immigration laws and judicial orders.

The Department of Homeland Security will faithfully execute the immigration laws, and we will treat all of those we encounter humanely and with professionalism. No foreign national in a foreign land, without ties to the United States, has any unfettered right to demand entry into the United States or to demand immigration benefits in the United States.

The Department of Homeland Security will comply with judicial orders; faithfully enforce our immigration laws, and implement the president's Executive Orders to ensure that those entering the United States do not pose a threat to our country or the American people.

## Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

On January 27, 2017, President Donald Trump issued Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). By 0500 hours (EST) daily, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ( (b)(6), (b)(7)(C) ). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact (b)(6), (b)(7)(C) of my staff. Thank you.

## DEPARTMENT OF HOMELAND SECURITY RESPONSE TO RECENT LITIGATION

The Department of Homeland Security will continue to enforce all of the president's Executive Orders in a manner that ensures the safety and security of the American people. The president's Executive Orders remain in place—prohibited travel will remain prohibited, and the U.S. government retains its right to revoke visas at any time if required for national security or public safety. The president's Executive Order affects a minor portion of international travelers, and is a first step towards reestablishing control over America's borders and national security.

Approximately 80 million international travelers enter the United States every year. Yesterday, less than one percent of the more than 325,000 international air travelers who arrive every day were inconvenienced while enhanced security measures were implemented. These individuals went through enhanced security screenings and are being processed for entry to the United States, consistent with our immigration laws and judicial orders.

The Department of Homeland Security will faithfully execute the immigration laws, and we will treat all of those we encounter humanely and with professionalism. No foreign national in a foreign land, without ties to the United States, has any unfettered right to demand entry into the United States or to demand immigration benefits in the United States.

The Department of Homeland Security will comply with judicial orders; faithfully enforce our immigration laws, and implement the president's Executive Orders to ensure that those entering the United States do not pose a threat to our country or the American people.

**Subject:** DFO Conference Call Notes - Executive Order

A DFO conference call was conducted yesterday with regard to the Executive Order. Some important points;

- New EO reporting requirements will be issued a little later this morning. There will be two reports daily, but the number of data elements have been increased. Once we receive clarification on the requirements, we will push that out.
- Full delegation for all exemptions has been granted to the Directors, Field Operations and the SES JFK and LAX PD's. C1 no longer needs to approve any exception requests.
- An updated comprehensive policy document regarding the Executive Order will be issued later today.
- The number of passengers requiring waivers have decreased in the air environment **(b)(7)(E)**
- **(b)(7)(E)**
- CBP HQS remains in constant contact with stakeholders on updated policy guidance and stakeholder requirements.
- If contacted by local AILA, please request they contact the national ALIA, as they have received full briefings.
- The Department of State also has exemption authority and they are beginning to exercise it.
  - JFK has already seen a few passengers arriving from one of the 7 countries as returning refugees and 1<sup>st</sup> time asylees.
  - CBP is communicating with DoS so that we have as much advance notice as possible on DoS approved travelers subject to the EO.
  - Ports must be prepared to process a semi-steady stream of DoS approved travelers.
- The 800+ 1<sup>st</sup> time refugees processing operation concluded yesterday, we should not be seeing 1<sup>st</sup> time refugees, unless DoS has authorized their travel.
- Waiver requests must be thoroughly documented consistent with the EO guidance and forwarded to the appropriate level for approval; the JFK SES PD for JFK arrivals, the DFO NYFO for NLIA arrivals.

If you have any questions, please let me know.

**THE WHITE HOUSE**  
WASHINGTON

February 1, 2017

MEMORANDUM TO THE ACTING SECRETARY OF STATE, THE ACTING ATTORNEY GENERAL, AND THE SECRETARY OF HOMELAND SECURITY

FROM: Donald F. McGahn II – Counsel to the President

SUBJECT: Authoritative Guidance on Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ( (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) or questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

DFO Manning,

You weren't included on the message below from HQ, since you will not be receiving refugees in your area of responsibility.

However, the Houston airport will be receiving refugees. C2 has delegated the authority to DFOs; therefore, we will be sending refugee waiver requests to you for approval.

DFOs

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. 842 refugees (complete list attached) have been authorized to travel to the United States from January 30<sup>th</sup> – February 2<sup>nd</sup>. These are first time entrants and thus should only arrive to the seven (7) designated POEs:

- JFK
- Newark
- Miami
- Chicago
- Dulles
- LAX
- Houston

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

All,  
 If you've been following along with previous messages from me on this you saw that any media inquiries you receive regarding the immigration-related executive orders should be forwarded to me, whenever possible, and I'll push them in the CBP OPA-mandated "right direction." That's still the case. CBP wants no public comment from the field on these orders.

For your reference, CBP put out info on the ECs on the CBP public website at the link below. The transcripts from DHS Secretary Kelly's press conference, also attended by CBP, ICE and I&A leadership, is also now available below. Please feel free to share proactively with your officers and keep them handy to share with the traveling public and our external stakeholders/partners, if appropriate or requested.
