DFOs,

Based on this evening's federal court stay, we are to **suspend all departures** of those found inadmissible under the Executive Order, including those who wished to voluntarily depart. We should freeze all departures but continue to detain the individuals in the airports while we await further legal guidance. All pre-departure actions will remain underway.

Need confirmation from each DFO.

We have not received guidance from HQ to alter course, but airport Directors are spreading this like wildfire. SFO further added a rumor that other CBP airports suspended enforcement. My colleagues verify we are proceeding as directed in enforcing the EO. Have you heard anything to the contrary?

FOR IMMEDIATE RELEASE:

***** STATEMENT *****

Mayor Edwin M. Lee issued this statement on the Executive Order on immigration:

I commend the judge that granted the emergency stay today, allowing Muslim immigrants with valid visas to enter the United States.

As the son of Chinese immigrants, I am disgusted by the President's Executive Order to target the Muslim community and ban immigrants from entering the United States.

Our country was built by immigrants in search of religious freedom and a life free of persecution and violence. These actions are a direct betrayal of those American values.

We cannot turn our backs on those looking for a better, safer life for themselves and their children. Now is the time to be firm in our values of inclusion, compassion and liberty for all. In San Francisco, we stand shoulder to shoulder with our Muslim and

immigrant communities and promise to continue to lift the lamp
for all those in search of a better life.

Just got off telephone with SFPD—they anticipate a demonstration in front of the Departures level (SFPD Lieutenant stated “arrivals level” but further conversation indicates the level where BART is) by a group called “Not In Our Name” at 1500 hours. This group is supposedly anti-Trump, anti-immigration control, according to SFPD. SFPD will monitor situation and not interfere unless the group breaks any laws, such as trying to enter the FIS. SFPD stated they will have officers posted around the FIS exit to monitor situation.

Refugees who were en route to the United States on Friday evening have been detained at U.S. airports and restricted from the country as a result of President Trump's executive order banning their entry.

Lawyers for two Iraqi refugees detained at New York's John F. Kennedy International Airport filed a middle-of-the-night lawsuit in federal court challenging Trump's executive order as unconstitutional and seeking the release of their clients.

They also are seeking class certification so they may represent all refugees who are being similarly held at U.S. ports of entry. Immigration advocates say at least one refugee family is detained at San Francisco International Airport, but it is not clear how many refugees are currently detained at airports nationwide.

Trump's executive order suspends admission of all refugees for 120 days and calls for a new system to tighten screening of those seeking entry to the U.S. from predominantly Muslim countries. Trump said that the goal is to screen out "radical Islamic terrorists" and that priority for admission would be given to Christians.

The executive order drew immediate condemnation from advocates for refugees and from the Council on American-Islamic Relations (CAIR), which announced plans to file a lawsuit next week challenging Trump's order as unconstitutional.

"There is no evidence that refugees – the most thoroughly vetted of all people entering our nation – are a threat to national security," Lena F. Masri, CAIR's national litigation director, said in a statement. "This is an order that is based on bigotry, not reality."

Both Iraqi men now detained at JFK had been receiving pro-bono legal assistance for several months from the New York-based International Refugee Assistance Project. Betsy Fisher, the organization's policy director, said the men were in the air on separate flights when Trump signed the temporary ban on refugees Friday. She called their detention "our worst-case scenario."

“In the coming weeks we will be advocating to show why this policy is bad for U.S. national security, why it goes against our humanitarian responsibilities, and why it is fundamentally un-American,” Fisher said. “If there is one fundamentally American value then it is welcoming those who are fleeing persecution. At our best, this is what we can do.”

One of the Iraqi men detained at JFK, Hameed Khalid Darweesh, 53, had worked as a contractor for the U.S. government in Iraq for about a decade, including as an interpreter for the U.S. Army. He and his wife and three children had spent more than two years trying to secure visas to come to this country.

The Darweesh family landed in New York at approximately 6 p.m. Friday evening, and Hameed Darweesh was detained by U.S. Customs and Border Patrol officials, according to the complaint filed in U.S. District Court for the Eastern District of New York. He has not been allowed to speak with his attorneys and is at risk of being returned to a country where he faces enormous risks to his personal security due to his aid to the U.S. government, the complaint says.

The other detainee is Sameer Abdulkhaleq Alshawi, 33, who was planning to join his wife and young child in Texas. His wife had worked for a U.S. government contractor and came to the U.S. as a refugee in 2014.

Marielena Hincapie, executive director for the National Immigration Law Center, said immigration advocates first learned of immigrants being detained Friday evening after a report from a family detained in San Francisco. The advocates attempted to reach U.S. Customs and Border Patrol but were unsuccessful.

“We were trying to find out if it was lack of communication or what was the plan?” she said in an interview Saturday morning.

Then they learned of the two immigrants from Iraq who had been detained at JFK Airport.

“We don’t have any guidance” from U.S. officials, Hincapie said. “That’s when we decided to file.”

Lawyers for the two Iraqis held in New York have been unable to speak to their clients. When the lawyers asked to speak with them, Customs and Border Patrol agents at JFK said that they were not the ones to field such a request.

“Who is the person to talk to?” the attorneys asked, according to the complaint. The CBP agents responded: “Mr. President. Call Mr. Trump.”

Below is the information regarding the two LPR subjects we discussed in our telephone conversation. I will advise the duty chiefs and Watch Commanders that per your guidance, absent derogatory information or unusual circumstances, we will assume your granting the admissibility waiver to those affected by the Presidential Executive Order within your delegated authority. We will also continue to send these information write ups to you as we encounter the passengers through the day. Finally, we will continue to call you for those passengers that require Acting CBP Commissioner waiver authority.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

We still don't have guidance beyond the summary I sent of the conference call. Please call me directly if you are seeking a waiver for an LPR.

We also don't have the report template, so if (b)(6), (b)(7)(C) and I don't hear from the ports, we will assume no encounters and assume no targeted passengers were erroneously admitted.

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be offered withdrawal of application for admission. If they do not agree to withdrawal, they will be expeditiously removed. If they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after undergoing a (b)(7)(E) (b)(7)(E) with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well, but it is not yet approved. Such individuals will also be referred for secondary exam (b)(7)(E) with notation of the approved waiver in the remarks. Until such time that waiver authority is delegated (if at all), we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(7)(E) (b)(6), (b)(7)(C) are also being involved to offload individuals attempting to board.

Reporting: Eventually an automated report is expected from (b)(7)(E) but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Any questions, please feel free to call me.

I received your message. Sorry my phone was charging. The guidance is pretty straight forward. Visas revoked and 7a and WD or ER. Problem will be if they all start to claim asylum. The LPR exams will be more of the drain but we will work through it since it is a blanket waiver for LPRs. Shouldn't be too many for this evening.

Subject: FW: FINAL SIGNED EO FOR ACTION

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be offered withdrawal of application for admission. If they do not agree to withdrawal, they will be expeditiously removed. If they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after undergoing a (b)(7)(E) (b)(7)(E), with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well, but it is not yet approved. Such individuals will also be referred for secondary exam (b)(7)(E) with notation of the approved waiver in the remarks. Until such time that waiver authority is delegated (if at all), we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(7)(E) (b)(6), (b)(7)(C) are also being involved to offload individuals attempting to board.

Reporting: Eventually an automated report is expected from (b)(7)(E) but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Any questions, please feel free to call me.

Hello,

This is (b)(6) at the KRON assignment desk. I was referred to you by SFO officials.

We have word that there are at least 5 Afghani immigrants with Special Immigrant Visas are being detained at SFO. Can you confirm?

Are there any other immigrants from countries being detained due to President Trump’s executive order?

Thanks in advance for your assistance.

NBC News reports President Donald Trump has not formally proposed a 20 percent tax on Mexican imports to pay for his controversial border wall and is instead considering it among a series of options, White House spokesman Sean Spicer said Thursday. "The goal today is not to be prescriptive. It's to basically say: Hey, here is a way in which the wall can be paid for extremely easy and not say 'this is what we're doing,'" Spicer told reporters. "This is not what we're rolling out."

According to a draft executive order leaked to civil rights advocates and obtained by The Washington Post, one of the measures of the executive order calls for an "Expedited Completion of Biometric Entry-Exit Tracking System". The order also states that all necessary action must be taken by the CBP commissioner to “ensure that such agents enter on duty and are assigned to duty stations as soon as is practicable.”

[Tucson.com - More drug profits slipping into Mexico as border seizures plummet](#)

Claudia Zuniga Aguilar’s daughter needed braces, so she decided to smuggle drug profits into Mexico for a cartel. The Chandler resident was caught with \$9,998 in her purse and wallet as she drove through the Nogales port of entry on March 15, U.S. District Court records show. Zuniga Aguilar, 45, told customs officers she picked up the cash from a man in a Costco parking lot in Mesa. She was supposed to deliver it to an ice cream shop in Sonora in exchange for the down payment on her daughter’s orthodontia. The seized money was just below the \$10,000 cash reporting requirement, a tool used by CBPO’s to prevent illicit cash smuggling. But as Zuniga Aguilar’s case shows, CBP officers also can seize any amount of money if they believe it’s the result of illegal activity.
