Subject: UPDATE #1: RE: FYSA: Confirmation of Protest at BWI on Sunday, 01/29/2017 at 1700-2100

DFO Durst,

I just found out from MDTA Police that BWI had eight (8) protesters tonight. All 8 left BWI's International Arrivals Hall around 1045pm. The protesters were not distinguishable when I left BWI at 1800 because I looked for them. I will be monitoring the Facebook BWI Protest Page for tomorrow's protest and will update you as necessary.

Good night.

DFOs,

Based on this evening's federal court stay, we are to **suspend all departures** of those found inadmissible under the Executive Order, including those who wished to voluntarily depart. We should freeze all departures but continue to detain the individuals in the airports while we await further legal guidance. All pre-departure actions will remain underway.

Need confirmation from each DFO.

The details provided by Dulles indicate that both subjects have U.S. Re-entry Permits which allows an LPR to remain outside the U.S. for up to two years. I would assume that because Dulles states "no derog info" that they are under the limit. The fact that they state that both subjects have been outside the U.S. for "the past two years" blurs the issue. They should have been more detailed.

Mayor Kenney Issues Statement on Syrian Families Turned Away from PHL Airport

PHILADELPHIA - Mayor Kenney issued the following statement on President Trump's executive order that caused two Syrian families to be denied entry to the United States upon arrival at PHL Airport. The executive order is expected to cause several more immigrants to be turned away from PHL in the days to come. This order is carried out by U.S. Customs and Border Patrol, in an area of PHL Airport that is controlled by U.S. Customs Border Patrol; airport personnel have no authority in this area.

"I am sickened by reports that federal officials, without knowledge or cooperation of PHL Airport staff, detained and then turned away two Syrian families. By several accounts, these families waited months to obtain the proper documentation so they could come to our country legally. And still, they were sent back to a war-torn nation that has used chemical warfare against its own people. The Trump administration very well may have just given these families a death sentence.

Banning immigrants and refugees is not only unjustifiably cruel, it also puts Americans at home and serving abroad at great risk. By refusing to allow entry to any immigrants from these seven nations, even those who have helped American troops as interpreters and fixers, we are enabling anti-American radicalization and endangering the lives of many.

History has taught us that dark moments like this occur when we allow fear to silence our compassion and better judgement. Our city has welcomed approximately 260 refugees in recent years from these now-banned nations. We must speak out strongly against this executive order so that these new Philadelphians' friends and families can also find safe harbor in the City of Brotherly Love and Sisterly Affection."

FYI, the Governor of VA is planning a presser today or tomorrow at IAD to react to the new exec order. It will be in the public waiting area outside the International arrivals area, where press have already gathered. Will share the exact time with you when we know it.

Additionally, the Governor would like to reach out to (b)(6), (b)(7)(C) or another On-site CBP official when he arrives. His press person is (b)(6), (b)(7)(C)

I'm sure it's nuts for you today. We've received several inquiries from reporters about potential detainees, and we are referring them to CBP.

FYI, the Governor of VA is planning a presser today or tomorrow at IAD to react to the new exec order. It will be in the public waiting area outside the International arrivals area, where press have already gathered. Will share the exact time with you when we know it.

Additionally, the Governor would like to reach out to (b)(6), (b)(7)(C) or another On-site CBP official when he arrives. His press person is (b)(6), (b)(7)(C)

I'm sure it's nuts for you today. We've received several inquiries from reporters about potential detainees, and we are referring them to CBP.

Take care.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, “*Protecting the Nation from Foreign Terrorist Entry into the United States*” (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Ma'am,

For your situational awareness.

Situational Awareness: USC Mother and Child in PPC Secondary Family Room 01/24/2017

CBP Philadelphia International Airport (PHL) has a US Citizen Spouse (wife) with infant child sitting inside the family room awaiting the disposition of her intending immigrant husband.

The family arrived on today's QR 727 from Doha. PHL is completing the final portion of the intending immigrant's interview and in the process of gathering all information to push out an Exemption Waiver Request.

All information is in the process of consolidation and will be completed shortly.

All,

To answer the question below..."212(f) grounds are not an option in (b)(7)(E) when generating an event. Is there a preference for 7A1 or 7B2 charges?"

Both where applicable. 7B2 (non-immigrant without a valid non-immigrant visa) when the subject applies with a non-immigrant visa or 7A1 (immigrant with a valid immigrant visa) for first time arriving immigrants with IV packets.
