Sir,

Please see response below to your inquiry.

Can you answer some questions on (b)(6), (b)(7)(C) who arrived to IAD on Saturday morning with two children? She claims to have been handcuffed and her children weren't provided food & water for 20 hours CBP detained them.

Q. How long were they at IAD?

A. 17 hours (subjects were released at 0120hrs).

Q. She said she arrived between 0600 and 0800 Saturday.

A. ET 500 arrived at 0745hrs. She was referred from primary at 0835hrs.

Q. What was the outcome of their admissibility review? ER/WD/VWPR?

A. (b)(6), (b)(7)(C) was originally processed as a withdrawal of application. To promote family unity and not separate the family, CBP IAD requested 212(F) waivers for (b)(6), (b)(7)(C) and her children on 01/28/2017 at 2152hrs which were approved on 01/29/2017 at 0051hrs and she was admitted as IR-1 and her children were admitted IR-2's. Subjects were issued temp I551 cards and released within 20 minutes after the approval was received.

Q. Where did they stay/sit/rest while in IAD custody?

A. They were in the family holding area, along with another family.

Q. How often did we provide food and water?

A. Snacks readily available and meals offered at intervals or when requested.

Q. What did we feed them?

A. Meals of beef, oatmeal, crackers, juice and chips.

Q. How often did we check on them?

A. 1-3 officers were assigned to stay with the families in the family holding area, during the entire time in IAD. Never left unattended.

Q. What day/time/flight did they depart?

A. They departed the CBP area to the arrival hall, where her husband was waiting for the family to take them to their domestic connection flight to (b)(6), (b)(7)(C)

FORWARD TOPIC TO ALL SHIFTS AND ENSURE THAT THIS INFORMATION IS DISEMINATED TO ALL PORT STAFF:

Until further notice **we must provide all LPRs that are referred to secondary (detained) the list of free legal services. This requirement applies regardless of reason for referral.** The court order verbiage states “respondents shall permit lawyers access to all legal permanent residents being detained at Dulles International Airport” **It does NOT specify in reference to the EO, therefore we must continue to provide this list to all LPRs until litigation clears the matter.** The timing of the distribution should be the same as we currently handle the EO referrals. After the passenger has been in the back for a reasonable amount of time, they should be given the sheet. Per previous guidance “We recommend that this be given to them after approximately 15 minutes of questioning in secondary.” Should the inspection take less time, hand them the sheet before departure. Please make sure we have sufficient copies.

Guys, I had this
Section 2.9 of the INA...link below...

2.9 Dealing with Attorneys and Other Representatives.

No applicant for admission, either during primary or secondary inspection has a right to be represented by an attorney - unless the applicant has become the focus of a criminal investigation and has been taken into custody. An attorney who attempts to impede in any way your inspection should be courteously advised of this regulation. This does not preclude you, as an inspecting officer, to permit a relative, friend, or representative access to the inspectional area to provide assistance when the situation warrants such action. A more comprehensive treatment of this topic is contained in the *Adjudicator's Field Manual*, Chapter 12, and [8 CFR 292.5\(b\)](#).

Good Afternoon

I have upgraded the spreadsheet with three additional tabs. One for each port.

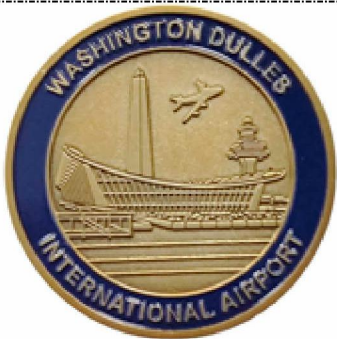

We can cut/paste the information submitted from each port into each respective tab and the information will total on the "Project Tracker" sheet.

NOTE: Do not type in anything on the "Project Tracker" tab, as that will mess up the functions. Just use the port tabs.

Thank you

Good Afternoon

For ease of reporting and tracking. I've been using a word document that Watch Commander (b)(6), (b)(7)(C) provided earlier to help me submit the waiver requests.

As the interviews are being completed, I have had Supervisor (b)(6), (b)(7)(C) provide me with the bullets fill in the appropriate information. Then it's just a simple matter of pasting the appropriate subject to the email and submit it for approval.

The Field Office has been responding back within just a few moments with the approval.

Sir

Just for clarification. I was speaking with APD (b)(6), (b)(7)(C) about this report, trying to get educated on the nuances of this particular report. He stated that he would take care of the 1500 report.

I will have a meeting with the Duty Chiefs just to go over how to prepare the sheet for the next report.

To be clear, attached are the two reports that will need to be sent up to BFO. Chiefs are responsible to make sure we are capturing all of the information, in real time, for all the ports in the field office. The report, however, must be sent by a WC or above at each sending.

As I stated this morning, this is obviously fluid. The CAT is not going to be involved and may change the reporting format, times and data. I ask that you all continue to be flexible.

The primary response the Supervisor are giving is taken straight out of previous guidance for response:

“We are and will remain in compliance with judicial orders, thank you”

The entire script is: “We are and will remain in compliance with judicial orders. We are and will continue to enforce President Trump’s executive order humanely and with professionalism. DHS will continue to protect the Homeland.”

Good Morning

The Command Center is once again receiving a plethora of phone calls from the public requesting our input on our compliance with the Executive Order. It does not appear that the new 7144 number has been corrupted as calls are coming in to all available lines.

In the past hour (0930 – 1030), the command center has received an estimated 50 calls pertaining to the Executive Order.

The Supervisors have printed example scripts that they are reading in response to the phone calls. They have been polite and professional in reading the scripts and are ending each phone call once the scripts have been read.

“We are and will remain in compliance with judicial orders, thank you”

Thank you
