Directors,

Here is a quick summary regarding the Executive Order:

- You have waiver authority for:
  - LPRs- still require an individualized waiver for each entry.
  - First time refugees.
  - Remaining in-scope categories – C1 approval required. Delegation request to DFOs is currently with the S1. We hope to have today.
- (b)(7)(E)
  (b)(7)(E) | (b)(5)
  (b)(5) | We continue to push at all levels.
- Issued WD guidance based on court order.
- Crewman that are now lacking a valid visa and are determined to pose no additional concerns to the security of the United States may be detained on board the vessel, with an approved security plan, for the duration of the vessel's U.S. voyage. Crewman that pose a concern to the security of the United

States should be ordered removed under safeguard pursuant to standard operating procedures. **(b)(5)**

(b)(5)

- C1, C2, EAC Owen, etc., continue to work through a prioritized list of Congressional calls.
- We're working with Department of State to align our EO policies and protocols with additional changes expected soon.
- We'll have FAQs posted via CBP website and a public inquiry call center established later today.

For convenience, I have also attached the previously issued guidance to Field Offices since the Executive Order:

THE WHITE HOUSE

Office of the Press Secretary

For Immediate Release   January 27, 2017

EXECUTIVE ORDER

- - - - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the
Constitution and laws of the United States of America, including
the Immigration and Nationality Act (INA), 8 U.S.C. 1101
et seq., and section 301 of title 3, United States Code, and to
protect the American people from terrorist attacks by foreign
nationals admitted to the United States, it is hereby ordered as
follows:

Section 1. Purpose. The visa-issuance process plays a
crucial role in detecting individuals with terrorist ties and
stopping them from entering the United States. Perhaps in no
instance was that more apparent than the terrorist attacks of
September 11, 2001, when State Department policy prevented
consular officers from properly scrutinizing the visa
applications of several of the 19 foreign nationals who went on
to murder nearly 3,000 Americans. And while the visa-issuance
process was reviewed and amended after the September 11 attacks
to better detect would-be terrorists from receiving visas, these
measures did not stop attacks by foreign nationals who were
admitted to the United States.

Numerous foreign-born individuals have been convicted or
implicated in terrorism-related crimes since September 11, 2001,
including foreign nationals who entered the United States after
receiving visitor, student, or employment visas, or who entered
through the United States refugee resettlement program.
Deteriorating conditions in certain countries due to war,
strife, disaster, and civil unrest increase the likelihood that
terrorists will use any means possible to enter the United
States. The United States must be vigilant during the visa-
issuance process to ensure that those approved for admission
do not intend to harm Americans and that they have no ties to
terrorism.

In order to protect Americans, the United States must
ensure that those admitted to this country do not bear hostile
attitudes toward it and its founding principles. The United
States cannot, and should not, admit those who do not support
the Constitution, or those who would place violent ideologies
over American law. In addition, the United States should not
admit those who engage in acts of bigotry or hatred (including
"honor" killings, other forms of violence against women, or the
persecution of those who practice religions different from their
own) or those who would oppress Americans of any race, gender,
or sexual orientation.

2

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a)   The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b)   The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c)   To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d)   Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e)   After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

3

information requested pursuant to subsection (d) of this section until compliance occurs.

(f)   At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g)   Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h)   The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4.   Implementing Uniform Screening Standards for All Immigration Programs.   (a)   The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b)   The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5.   Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017.   (a)   The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

4

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b)   Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c)   Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d)   Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e)   Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f)   The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

5

(g) It is the policy of the executive branch that, to the
extent permitted by law and as practicable, State and local
jurisdictions be granted a role in the process of determining
the placement or settlement in their jurisdictions of aliens
eligible to be admitted to the United States as refugees. To
that end, the Secretary of Homeland Security shall examine
existing law to determine the extent to which, consistent with
applicable law, State and local jurisdictions may have greater
involvement in the process of determining the placement or
resettlement of refugees in their jurisdictions, and shall
devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to
the Terrorism Grounds of Inadmissibility. The Secretaries of
State and Homeland Security shall, in consultation with the
Attorney General, consider rescinding the exercises of authority
in section 212 of the INA, 8 U.S.C. 1182, relating to the
terrorism grounds of inadmissibility, as well as any related
implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit
Tracking System. (a) The Secretary of Homeland Security shall
expedite the completion and implementation of a biometric entry-
exit tracking system for all travelers to the United States, as
recommended by the National Commission on Terrorist Attacks Upon
the United States.

(b) The Secretary of Homeland Security shall submit to the
President periodic reports on the progress of the directive
contained in subsection (a) of this section. The initial report
shall be submitted within 100 days of the date of this order, a
second report shall be submitted within 200 days of the date of
this order, and a third report shall be submitted within 365
days of the date of this order. Further, the Secretary shall
submit a report every 180 days thereafter until the system is
fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of
State shall immediately suspend the Visa Interview Waiver
Program and ensure compliance with section 222 of the INA,
8 U.S.C. 1222, which requires that all individuals seeking a
nonimmigrant visa undergo an in-person interview, subject to
specific statutory exceptions.

(b) To the extent permitted by law and subject to the
availability of appropriations, the Secretary of State shall
immediately expand the Consular Fellows Program, including by
substantially increasing the number of Fellows, lengthening or
making permanent the period of service, and making language
training at the Foreign Service Institute available to Fellows
for assignment to posts outside of their area of core linguistic
ability, to ensure that non-immigrant visa-interview wait times
are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State
shall review all nonimmigrant visa reciprocity agreements to
ensure that they are, with respect to each visa classification,
truly reciprocal insofar as practicable with respect to validity
period and fees, as required by sections 221(c) and 281 of the
INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a
country does not treat United States nationals seeking

6

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

7

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DFO/PDs

Starting on January 31st, the Ports of Miami, Houston and LA will encounter Central American Minors that have been authorized parole into the United States for a period of two (2) years. I have attached a list of the individuals scheduled to arrive to include a exemplar of the document they will present on primary. Just to alleviate any potential confusion, while these are adjudicated by CIS Refugee Office, these are not refugees, nor subject to the EO.

Please do not hesitate to contact me should the need arise.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

                               Admissibility and Passenger Programs
                               Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, *"Protecting the Nation from Foreign Terrorist Entry into the United States"* (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA.   This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas.   This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, **(b)(7)(E)** will coordinate the denial of boarding through **(b)(7)(E)** **(b)(7)(E)** locations, and **(b)(7)(E)**

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:
    (1) All case processing will be recorded in **(b)(7)(E)** system, according to current policy/procedure.
    (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
    (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
    (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,
    (1) Lawful Permanent Residents should be referred for **(b)(7)(E)** and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of **(b)(7)(E)** should be notated in **(b)(7)(E)** with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:
    (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for **(b)(7)(E)** and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:
    (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
    (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. Memorandum For: Directors, Field Operations

From: Todd A. Hoffman   (b)(6), (b)(7)(C)
                         Executive Director
                         Admissibility and Passenger Programs
                         Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign
                         Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, *"Protecting the Nation from Foreign Terrorist Entry into the United States"* (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA.   This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas.   This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E)
(b)(7)(E) locations, and (b)(7)(E)
(b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:
   (1) All case processing will be recorded in (b)(7)(E)
       (b)(7)(E) system, according to current policy/procedure.
   (2) Subjects will be allowed to withdraw their application for admission on Form I-275, *without a sworn statement*. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
   (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
   (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,
 (1) Lawful Permanent Residents should be referred for **(b)(7)(E)** and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of **(b)(7)(E)** should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:
 (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for **(b)(7)(E)** and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:
 (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
 (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact **(b)(6), (b)(7)(C)** (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

Prior to any such admission as a first-time refugee, each such individual must be subjected to a thorough examination by an immigration officer, (b)(7)(E)

Subject: FW: 1/30/2017 0500 - Reporting Guidance for Actions Taken Related to Executive Order

Chiefs [(b)(7)(E)] (and any other manager that gets tapped in the coming days)

To be clear, attached are the two reports that will need to be sent up to BFO. Chiefs are responsible to make sure we are capturing all of the information, in real time, for all the ports in the field office. The report, however, must be sent by a WC or above at each sending.

As I stated this morning, this is obviously fluid. The CAT is not going to be involved and may change the reporting format, times and data. I ask that you all continue to be flexible.

As a citizen, taxpayer, and local business leader, I was deeply disturbed to hear that you recently ignored a valid Federal court order related to President Trump's executive order. While this sort of thing puts you in a difficult position, the law on this matter is clear, and you have violated it. I urge you to follow the law, as the mission of the CBP requires adherence to and respect for the rule of law. I also urge you to not order your staff to violate Federal court orders, as that will not likely be a safe harbor for them, legally.

Sincerely,
