In the event you need to guide action related to the Executive Order:

HQ Guidance Dated: January 28, 2017 @ 9:32 am:

To ensure clarity and avoid confusion, Afghanistan was not subject to the EO. In addition, Refugees coming from another country, e.g. Mongolia, not listed in the guidance should be processed as normal.

HQ Guidance Dated: January 28, 2017 @ 1:07am:

DFOs have been unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through Immigration Advisory Program/Joint Security Program (IAP/JSP) locations, and Regional Carrier Liaison Groups (RCLG).

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in Secure Integrated Government Mainframe Access (SIGMA) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) examination and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) exam should be notated in CSIS with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) examination and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison **(b)(7)(E)**. Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at **(b)(6), (b)(7)(C)**. For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at **(b)(6), (b)(7)(C)**.

FYSA, DHS statement in response to litigation against POTUS EOs.

CBP media posture remains unchanged. No media interaction, not to respond that we can respond, and not even to inform on background. Refer all media inquiries to my email account. DHS remains lead on EO inquiries; however, they have ceased engaging media following Saturday's lawsuits. Once we have a statement to release, I'll forward that along, but all media inquiries should continue to be referred to me.

EXECUTIVE ORDER

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Starting on January 31st, the Ports of Miami, Houston and LA will encounter Central American Minors that have been authorized parole into the United States for a period of two (2) years. I have attached a list of the individuals scheduled to arrive to include a exemplar of the document they will present on primary. Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ([REDACTED]). Reports must be submitted using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding reporting, please contact the Field Liaison Division, at [REDACTED].

(b)(6), (b)(7)(C) will be sending out an updated email on the passenger projection report which will cite two new times for reporting.

Report #1: Passenger Encountered – this report is due three times per day 0400, 1400, 2000. This has been the one we have been consoling and reporting out at 1400 for 1400, 2000, and 0400.

Report #2: Passenger Projection – this report is now due twice daily at 1200 and 2400. This report will use the attached template.. I cleaned up the one (b)(6), (b)(7)(C) sent out.. (removal of PII). The title of the report will need to change (i.e. date/time) to represent what specific report is being captured. It could be likely that this would be consolidated as well.. when we don't have any information... and then updated on a case by case basis as we learned today.

Subject: New EO Reporting

All,

In an effort to better understand actual numbers of encounters as it relates to the Executive Order (EO), the Baltimore Field Office will be instituting a new reporting template for the Area Ports of Philadelphia and Baltimore only.

The attached report shall be used by the Area Port of Philadelphia and Baltimore in lieu of the HQ reporting template that you are currently using. You will only document those individuals that are processed under the new EO (either admitted or withdrawal). We ask that you go back to 01/28/2017 and fill in the information to

date. **Please note** that this new spreadsheet is also designed to capture crewmen arriving in seaport locations who match the EO criteria and are either Detained on Board or repatriated under escort.

This report should be sent back to Chief (b)(6), (b)(7)(C) and Chief (b)(6), (b)(7)(C) NLT Friday 02/03/2017 at 1300 hours. Moving forward the 2/3 report at 1400 for Baltimore and Philadelphia should use this format and begin sending us their EO report using this new spreadsheet. Dulles will place your subject's info into their version of the report and have a comprehensive report for the entire BFO. We realize that this is not the format that HQ is requesting, however this will allow us to continue keeping the comprehensive list of individuals encountered.

Once we have that information, we should be able to give reliable numbers concerning the total number of individuals that we received at the three ports to include admissibility dispositions.

Dulles will transpose those numbers into the current HQ format for reporting at 0500, 1500, 2100 hours. Reminder, that these reports are **due to IAD NLT 0400, 1400, and 2000 hours**. Also, the report should be sent to the CBP IAD Managers distribution list (b)(7)(E) and BFOREPORTING.

Should you have any questions regarding this you may contact Chief (b)(6), (b)(7)(C) Chief (b)(6), (b)(7)(C) or IO (b)(6), (b)(7)(C) (b)(6), (b)(7)(C)

Thank you for your assistance getting this together.

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Order Reporting attached.

Please use this version of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

Also required is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ([REDACTED] (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at ([REDACTED] (b)(6), (b)(7)(C) or questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at ([REDACTED] (b)(6), (b)(7)(C)

MEMORANDUM FOR: Directors, Field Operations

FROM: **(b)(6), (b)(7)(C)**
Deputy Executive Director, Operations (Acting)
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Oder Reporting attached.

Please use this version of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

Also required is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

Subject: UPDATE #3: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Oder Reporting attached.

Please use this version of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

Also required is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

Thank you,

(b)(6), (b)(7)(C)

 Deputy Executive Director, Operations (Acting)
 Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ((b)(7)(E)). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

All,

I am awaiting an email from (b)(6), (b)(7)(C) with the particulars of the request, but what he told me telephonically is that he wanted to ensure that any video from the FIS was preserved from 1/27/17 on in furtherance of an investigation concerning the execution of the EO. I will forward the email request upon receipt.

Regards,

Dear (b)(6), (b)(7)(C)

I called your office, but didn't leave message. Soon you will receive a call from SA (b)(6), (b)(7)(C) making a request to pull all emails at the Area Port of Philadelphia from, I believe he said, the first of the year. Not sure why this did not go through normal channels as he was trying to contact the Philadelphia Area Port Director. I have copied the DFO and the DXD OPS. I gave him your name and respectfully request he starts with you....

Sincerely,

Do we know why these 6 folks were boarded?

Notwithstanding, are you teeing up C1 waivers for all these folks in advance so they are ready to go as soon as (b)(7)(E) is done with them?

You did a great job with the ones yesterday! Much appreciated

Directors,

Here is a quick summary regarding the Executive Order:

- You have waiver authority for:
 - LPRs- still require an individualized waiver for each entry.
 - First time refugees.
 - Remaining in-scope categories – C1 approval required. Delegation request to DFOs is currently with the S1. We hope to have today.
- (b)(7)(E)
(b)(7)(E) (b)(5)
(b)(5) We continue to push at all levels.
- Issued WD guidance based on court order.
- Crewman that are now lacking a valid visa and are determined to pose no additional concerns to the security of the United States may be detained on board the vessel, with an approved security plan, for the duration of the vessel’s U.S. voyage. Crewman that pose a concern to the security of the United States should be ordered removed under safeguard pursuant to standard operating procedures. (b)(5)
(b)(5)
- CI, C2, EAC Owen, etc., continue to work through a prioritized list of Congressional calls.
- We’re working with Department of State to align our EO policies and protocols with additional changes expected soon.
- We’ll have FAQs posted via CBP website and a public inquiry call center established later today.

For convenience, I have also attached the previously issued guidance to Field Offices since the Executive Order:

- 1/30 email: court compliance on WD
- 1/30 email: Delegation of Authority Documentation for 842 Refugee Arrivals

EXECUTIVE ORDER

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DFO/PDs

Starting on January 31st, the Ports of Miami, Houston and LA will encounter Central American Minors that have been authorized parole into the United States for a period of two (2) years. I have attached a list of the individuals scheduled to arrive to include a exemplar of the document they will present on primary. Just to alleviate any potential confusion, while these are adjudicated by CIS Refugee Office, these are not refugees, nor subject to the EO.

Please do not hesitate to contact me should the need arise.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman (b)(6), (b)(7)(C)
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E) (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Basically the answer is that we enforce at the border based on current rule and regulations to include any EO such as the one in force for the next 87 days the subjects in question were processed properly.

I would consult OCC, (b)(6), (b)(7)(C) before entertaining lawyers questions on this moving forward. You can steer queries to open source statements on the EO. DHS has put two out recently.

This is the lawyer and the case that was caught up in the EO at PHL.

They wanted us to revisit/rescind (at our local/BFO level) the WD and aid in their return in lieu of them filing litigation.

I told them it is unfortunate that they were caught in the pre-EO rules, but the EO was enforced and that they could contact (b)(6), (b)(7)(C) (Nat'l AILA), and seek litigation at their discretion.

Subject: Summary for (b)(6), (b)(7)(C) families
Importance: High

Hi Mr. (b)(6), (b)(7)(C)

Great speaking to you earlier – Here are the facts from the draft brief. I have added a bit of data.

As stated above, the Petitioners are two family groups, with all members approved for Lawful Permanent Resident visas by the U.S. consulate. The family members who attempted entry on January 28, 2017 are:

(b)(6), (b)(7)(C)

The two principal members are siblings of U.S. citizen (b)(6), (b)(7)(C), filed for them in 2003. The family waited 13 years for the final processing of their F4, sibling visas. All members of the family completed security, medical and other background checks at the U.S. Embassy prior to being approved for the final Permanent Resident visas. At all times between approval on December 19, 2016 and their flights on January 27-28, 2017 the family were in possession of validly issued and lawful visas.

Identity documents, including copies of the Permanent Resident visas (stamped revoked by Philadelphia CBP) are attached as Exhibit C to this Complaint. Also included in the Exhibit are copies of the sealed approved visa packages that were given to each family member by the U.S. Embassy. Those visa packages were never opened and remained sealed in the possession of the Petitioners. (LET ME KNOW IF YOU WANT OR NEED THESE)

The EO was signed while the Petitioners were en route to the United States. The case of *Darweesh v. Trump* was filed in the Eastern District of New York at approximately 5:30 AM on January 28, 2017. That filing requested class certification for individuals affected by the EO: “refugees, visa holders and other individuals from nations subject to the January 27, 2017 Executive Order.” The Petitioners are members of that class. Later on January 28, 2017 Judge Ann Donnelly signed an TRO protecting all members

from any actions that would remove any individuals who are members of the class. Judge Donnelly certified the class as nationwide.

At approximately 7:45 AM the family arrived at the Philadelphia International Airport. While their plane was at the gate, they were taken off the plane and placed directly into a 'secondary inspection.' Two CBP officers effected the family's removal from the plane and then detained them. The Petitioners, (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) were taken out first and the other family members were placed with them approximately 15 minutes later. During the time of the family's detention CBP officers directly refused their requests to speak with the family member, (b)(6), (b)(7)(C) who was waiting for them at the airport gate. The CBP officers also failed to provide any interpreter for the family who do not speak English fluently.

The CBP officers informed the family that there were only two options: 1) returning on the same plane on which they had just traveled or 2) to be arrested and imprisoned with their visas taken away and a time of 5 years before they would be permitted to re-enter. The officers implied that if the family chose to return immediately the LPR visas would be able to be used within 90 days. The exact content of the officers' statements is unclear, because none of the family were fully fluent in English.

The family repeatedly asked for access to their US family and that was refused. Upon information and knowledge, at or around 8:30 AM the family had processed documentation to accept the first option and return to Syria. At or around 9:57 AM the US family member, (b)(6) received a phone call from a CBP officer indicating that it was "100% certain" that the family would not be coming to the US and that they were returning.

At no time did the CBP officers ask the Petitioners anything other than to confirm their country of origin as Syria. No questions were asked about fear of return; no information was provided as to asylum or asylum processes; and no individual review of any of the already approved Permanent Resident visas was conducted. The sealed envelopes from the US consulate were never opened and remain sealed to this day.

The Petitioners' understanding was that they would be imprisoned and removed even if they chose to try to remain in the U.S. They also believed that accepting a return to Syria would result in the continuing validity of their LPR visas.

On the flight back to Qatar and Lebanon Petitioner (b)(6) had to have oxygen administered to him because of faintness and possible heart palpitations.

The family were not given possession of their passports or the sealed visa packets until after their final arrival back in Beirut, Lebanon. At the layover in Doha, Qatar they were permitted to look at and take photos of their visas – which had been marked 'revoked' by the Philadelphia CBP. The revocation was not in accordance with what they understood would happen when they acceded to be put back on the plane.

The family are back Damascus, Syria awaiting authorization to return to the U.S. on the LPR visas that were approved by the U.S. Embassy on December 19, 2016. Two other family members who were also approved on December 19, 2016 are already in the United States pursuant to their visas. Sibling, (b)(6) and nephew (b)(6) entered the U.S. on December 21, 2016 and are currently Lawful Permanent Residents living with the U.S. family in (b)(6) Pennsylvania. See Exhibit D to this Complaint.

Qatar also had four LPR passengers from the designated countries were screened by (b)(7)(E) Officers, referred to (b)(7)(E) and higher and ultimately admitted.

Qatar also had a refugee from Somalia on initial arrival who will be denied entry. (b)(6), (b)(7)(C) anticipates similar issues in coming days and will work with home station to deny boardings.
