Frequently Asked Questions
9/28/2017 5:03:40 AM

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport and proof of landed immigrant status to a consular officer. These applications shall be made at a U.S. consular section in Canada.

13. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?

The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.

14. Will nationals of restricted countries with valid green cards be allowed to return to the United States?

As stated by Secretary Kelly, the entry of U.S. lawful permanent residents is deemed to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in case-by-case determinations.

15. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?

In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.

16. Does this affect travelers at all ports of entry?

Yes, this Executive Order applies to all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen applying for entry to the United States at any port of entry—air, land or sea.

17. Does CBP have the authority to search individuals' electronics?

All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All persons,

baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Statement

As Secretary Kelly noted in his press conference Tuesday, upon issuance of the court orders, CBP immediately began taking steps to comply and did so with professionalism. We are and will remain in compliance with judicial orders.

CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

Policy prohibits discussion of individual cases of admissibility, however federal travel regulations require all international visitors to have a valid travel document to travel to the United States. Per the Executive Order, certain classes of immigrant and non-immigrant visas were provisionally revoked by the Department of State rendering them invalid.

- 1. How many persons impacted by the EO are currently detained at each Port of Entry (POE)?**
 - a. All individuals who arrive in the United States are subject to inspection. This inspection may require additional time. There are many reasons why an inspection may take more time. However, at this moment, there are no individuals held in custody on the basis of the Executive Order.
- 2. What is happening to those currently in detention? Will they be released?**
 - a. CBP is not currently holding in its custody any individual based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order.
- 3. How many no-board recommendations have been issued? How many individuals were denied entry to the United States due to the Executive Order? Please break this number out by refugees, LPRs, Students, and other NIVs.**
 - a. There are a number of reasons that we may make a recommendation to a carrier that they not board an individual, including because their visa is no longer valid. Below are the actions taken in accordance with the Executive Order signed January 27, 2017. *Statistics are valid as of 1500 hrs, January 30, 2017*

- 4. Please explain the process for considering an individual for an exemption under the EO.**
 - a. Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the U.S. falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.

- 5. Are all Lawful Permanent Residents (LPRs) eligible for an exemption – returning and first time arrivals?**
 - a. It is important to understand that individuals with immigrant visas overseas are not LPRs. Eligible individuals only become Lawful Permanent Residents once they have been inspected and admitted at a port of entry.
 - b. Lawful Permanent Residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed on a case-by-case basis for exceptions upon arrival at ports of entry, as appropriate. CBP is processing exemptions consistent with the Secretary's guidance.

- 6. Did CBP deport any individuals following the stay granted in NY and prior to the issuance of guidance to the field?**
 - a. This is the subject of ongoing litigation. Please refer these questions to DOJ.

- 7. Did CBP have an implementation plan prior to the EO being released?**
 - a. The Executive Order and the instructions therein were effective at the time of the order's signing. Guidance was provided to DHS field personnel shortly thereafter.

- 8. Has CBP issued clear guidance to the Field on the EO and the court orders?**
 - a. Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.

- 9. What coordination is being done between CBP and the carriers?**
 - a. CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

- 10. When did enforcement of the EO start?**
 - a. The Executive Order became effective on January 27, 2017.

- 11. The EO lists specific visa category exemptions, such as diplomatic visas. Are there any visa category exemptions not listed?**
 - a. Visa categories that are exempt are listed in the Executive Order.

Frequently Asked Questions

12. Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.

- a. CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and our officers are well trained to ensure that individuals make voluntary decisions.

13. Is there a process for LPRs/Refugees/Returning Students who might be eligible for an exemption to qualify/apply for that exemption overseas? Is it true that only individuals who are able to reach a POE are given the chance for an exemption?

- a. It is important to note that the Secretary of State has equivalent authority to grant waivers. We recommend questions about overseas implementation be directed to the Secretary of State.

14. Is CBP searching social media profiles of those affected by the Executive Order

- a. CBP has processes and procedures in place with respect to appropriate searches of individuals when they arrive at ports of entry. You may find the privacy impact assessment, for instance, with respect to social media for ESTA applicants here: <https://www.dhs.gov/sites/default/files/publications/privacy-pia-cbp-esta-september2016.pdf>. Public guidance regarding the search of electronics can be found on the CBP website.

15. Have any individuals impacted by the Executive Order been transferred to ICE custody?

- a. Individuals affected by the Executive Order, even if they are provided an exemption, may still be inadmissible. Individuals who are inadmissible, for instance for criminal grounds, are still being processed in a manner that is consistent with the court orders.

16. Does this Executive Order apply to dual nationals of the seven countries who want to enter the U.S.? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?

- a. Travelers are being processed and when eligible admitted according to the travel document they present.

Additional Questions

17. Can a dual national traveling with a passport from an unrestricted country travel to the U.S.?

accepting. HQ is still working on a statement, a Fact Sheet and FAQs, however nothing has been approved or distributed yet. I am optimistic that after the press event they will have something however and I believe the gag order on communicating with media will be lifted as well. Will keep everyone apprised.

Sir,

I am scheduled to attend the Northeastern University Career Fair tomorrow at noon with CBPO (b)(6), (b)(7)(C) from the Port of Boston. I spoke with the University's Director of Employer Relations (b)(6), (b)(7)(C) this afternoon to find out if CBP is still welcome on campus. He advised me that we are and that he would still like us to attend. After giving it some thought, I think it may be better if we pull out of this event at this time, we would lose the registration fee.

Gents,

With all the changes that the latest executive order brings, a potential outcome that we must be prepared to deal

with is community/traveler backlash. We need to ensure that we talk to our troops and reinforce the need to be professional when dealing with potential situations and most importantly stay vigilant both on and off duty.

We will most likely have a discussion tomorrow morning on steps we may want to take to ensure that we are able to message and react to situations.

Thanks,

Just called the office to see if you were in. You must be running the operation out of the Condo Command Center this morning.

You doing o.k.?

Thinking about a conference call this morning or afternoon? Anything else I can assist with?

I saw that there were additional restraining orders that were signed elsewhere in the country. Wondering how this is going to play out.....

All, just a heads-up-

One (1) male USC just approached the Route 5 Port of Entry to advise officers he was setting up a passive protest at the Village Office adjacent the Route 5 Port. He just wanted to ensure he was not hindering our activities and he asked nothing of officers. He is alone, and carrying a handmade sign which says "Nope".

Officers thanked him for the notice and provided no information to the subject.

All,

For awareness, we advised OCA we are holding on any congressional responses specific to Boston for the moment. They shared that if/when people are being pushed in the field as to whether or not we are complying with the various court orders, we have been responding with "CBP will comply with any and all court orders".

Hi guys,

I wanted to circle back with you and share that we're holding on finalizing TP's on Boston specific matters related to the EO until next week. There's court activity today to discuss the extension of the TRO and some other moving pieces, so anything we put down on paper now, would likely not be accurate by the time we shared it and with the pending litigation our ability to share may also be limited.

We will certainly keep you posted when/if anything changes and please let us know if you need anything in the meantime.

Gents,

With all the changes that the latest executive order brings, a potential outcome that we must be prepared to deal with is community/traveler backlash. We need to ensure that we talk to our troops and reinforce the need to be professional when dealing with potential situations and most importantly stay vigilant both on and off duty.

We will most likely have a discussion tomorrow morning on steps we may want to take to ensure that we are able to message and react to situations.

Thanks,

Lawyers are advising green card holders to fly into Boston

By [Lisa Wangsness](#) GLOBE STAFF JANUARY 29, 2017

Some immigration lawyers are advising green card holders from seven majority-Muslim countries affected by President Trump's order and who are traveling overseas to fly back to the United States through Boston because a Massachusetts judge's order blocking the enforcement of President Trump's executive order offers them more protection than similar judicial orders elsewhere.

The order signed by Judge Allison Burroughs and Magistrate Judge Judith Dein, issued early Sunday morning, requires the government to release approved refugees and individuals with valid visas from the seven majority-Muslim countries listed in President Trump's executive order — Iraq, Syria, Sudan, Libya, Somalia, and Yemen.

A similar order from a New York judge blocks immigration officials from deporting those individuals upon their arrival, but it allows the government to detain them pending further legal review.

Becca Heller, director and co-founder of the International Refugee Assistance Project, said green card holders from the seven countries have been detained at John F. Kennedy International Airport and Los Angeles International Airport, as well as other airports around the country.

She said that her team is trying to plan “a massive outreach campaign” to alert green card holders to change their plans and fly through Boston.

“We continue to face Border Patrol noncompliance and chaos at every airport across the country and the world, despite the fact we had a great victory last night,” she told reporters on the same conference call on Sunday.

The Burroughs restraining order is in effect for seven days; the court will schedule a hearing prior to its expiration.

As protests roiled, professors who were detained at Logan airport waited

Scott Eisen/Getty Images

Mazdak Tootkaboni was welcomed after being detained at Boston's Logan airport. He and his wife, Arghavan Louhghalam, are professors at UMass Dartmouth and are green card holders.

By [Nestor Ramos](#) Globe Staff January 29, 2017

Confined to a holding room at Logan International Airport Saturday afternoon, two UMass Dartmouth professors had no idea that their detention had become the basis for a legal challenge to key portions of President Trump's immigration order.

Mazdak Pourabdollah Tootkaboni and Arghavan Louhghalam, a married couple, had been on their way back from a weeklong sustainable engineering conference in Marseille, France, Tootkaboni said in an interview Sunday morning. The first inkling that something had changed came when an official at Charles De Gaulle Airport in Paris cautioned them that new rules, enacted in the past 24 hours, could cause the couple some problems on their journey home.

"He checked a few things and said, 'because you gave green cards you should be OK,' " said Tootkaboni. So the couple, Iranian immigrants who have lived in the United States as permanent residents for more than a decade, boarded the flight home at about 4 p.m. Paris time.

The trip was routine. The couple watched movies, and the flight landed early.

"I never felt that we were going to be banned from entering the country," Tootkaboni said, though he said that Louhghalam was "a little stressed out."

Only after they'd gone through the standard process for re-entry did things change. The couple and about a dozen others were pulled aside and informed that they were now subject to a "secondary process," said Tootkaboni, 40.

And so they waited. There were occasional routine questions, he said, about the trip and their jobs (both are engineering professors with doctoral degrees from Johns Hopkins University). The officials who questioned them were pleasant, Tootkaboni said, and checked in every half-hour or so to see if they needed water or a trip to the restroom.

"They were very, very professional and unexpectedly kind and nice," Tootkaboni said.

Unbeknownst to the people waiting, who Tootkaboni said were barred from using cell phones, the scene in the airport outside was growing chaotic.

Lawyers for the American Civil Liberties Union Massachusetts found Louhghalam's sister, Tootkaboni said, and got their names. Their detention, which lasted about four hours, became the basis for a judge's overnight ruling that prohibits people lawfully entitled to enter the country from being detained or removed.

When Tootkaboni and Louhghalam finally emerged — they were nearly the last to be cleared — they walked into a roiling protest.

Tootkaboni said he wasn't sure what would happen next — whether they would continue to be involved beyond the seven-day temporary restraining order that was issued overnight, and in what capacity.

"In accordance with the judge's ruling, DHS has suspended any and all actions implementing the affected sections of the Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States."

This includes actions to suspend passenger system rules that flag travelers for operational action subject to the Executive Order.

DHS personnel will resume inspection of travelers in accordance with standard policy and procedure.

At the earliest possible time, the Department of Justice intends to file an emergency stay of this order and defend the President's Executive Order, which is lawful and appropriate. APD (b)(6), (b)(7)(C)

I attended the Massport/Airline impromptu meeting held at the briefing room today at 1230hrs with PSM
(b)(6), (b)(7)(C)

Massport provided overview of the weekend's protest for the airlines. Nothing new from them that wasn't covered in previous meetings. It was basically just a Q and A session for the airlines to ask questions.

Questions to CBP and my answers in red

- (b)(6) (Emirates) How should they handle people born in the 7 countries but holding other passports? **Their obligation is to board people with valid documents as they have before the EO. CBP will process individuals as they present themselves to us upon inspection.**
- (b)(6) (Emirates) Same question but specifically USCs and Canadians who are VISA exempt. **I provided the same answer.**
- British Airway (Xanakas) Will CBP refuse NON Immigrants with VISA from 7 countries? **I stated that I cannot comment on anything on a case by case basis. Said we will process all aliens according to the law and reminded him of the Carrier's responsibility to process No board requests appropriately as CBP cannot comment on nor make admissibility determinations until we encounter an alien for inspection.**

That's it in a nutshell. A lot of rhetorical questions/comments by Massport, nothing derogatory, just basically that we are all in a situation to be "business as usual" until further guidance is issued.

Here's the guidance:

Airlines are informed that CBP will process all individuals arriving at Logan Airport in accordance with the law. Upon arrival at Logan International Airport all individuals will be processed in accordance with the law, including to determine if they are inadmissible. Those individuals who are inadmissible will be placed in appropriate removal proceedings and detained only where it is permissible under the law. See INA 235(b)(1). Carriers are reminded that it is unlawful to bring into the United States any alien who does not have a valid passport and an unexpired visa, if a visa was required under the Act or regulations issued thereunder.

Gents,

My team is getting ready to send this information to the CAT, but wanted to give you the heads-up of a J1 in Canada that is trying (b)(6), (b)(7)(C). He is invoking the Boston Logan Court Order as his right to enter the US. Both (b)(6), (b)(7)(C) and Senator Warren's office are involved. It won't be long before calls will be made at a higher level and the press is involved. We are expecting similar incidents to happen as many groups here are advertising that if you come to Boston this Court Order will allow you entry. More to come.

Flight Information: PD (Porter) 943, ETA 1343 Boston
 Passenger Information: (b)(6), (b)(7)(C) IRAN, J1 Visa, Scheduled for Offload/ Waiting on Transmit

- Currently an Iranian citizen with a J1 visa is attempting to board Porter Airlines Flight 943 from Toronto City to Boston.
- RCGL has given Porter Airlines a no board referring to the executive order
- The subject has stated that the Federal Court Order filed in Massachusetts overrides to Executive order and is demanding to be boarded.
- (b)(6), (b)(7)(C) is aware of the case and (b)(6), (b)(7)(C) has reached out to the Airline
- This case will generate significant attention based on the recent accusations from the public and ACLU that CBP is not complying with the order.

- CBP has advised the airline that the carrier is “responsible to board only individuals with valid passports and valid unexpired visas when visa is required”
- Porter has 4 more scheduled flights today from Toronto City to Boston Today.

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
 Frequently Asked Questions
 9/28/2017 5:25:22 AM

1. How many persons impacted by the EO are currently detained at each Port of Entry (POE)?

- a. All individuals who arrive in the United States are subject to inspection. This inspection may require additional time. There are many reasons why an inspection may take more time. However, at this moment, there are no individuals held in custody on the basis of the Executive Order.

2. What is happening to those currently in detention? Will they be released?

- a. CBP is not currently holding in its custody any individual based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order.

3. How many no-board recommendations have been issued? How many individuals were denied entry to the United States due to the Executive Order? Please break this number out by refugees, LPRs, Students, and other NIVs.

- a. There are a number of reasons that we may make a recommendation to a carrier that they not board an individual, including because their visa is no longer valid. Below are the actions taken in accordance with the Executive Order signed January 27, 2017. *Statistics are valid as of 1500 hrs, January 30, 2017*

CBP Executive Order Actions	
Recommended Denial of Boarding	721
Legal Permanent Resident (LPR) waivers	1,059
Visa holders granted waivers	75

4. Please explain the process for considering an individual for an exemption under the EO.

- a. Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the U.S. falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.

5. Are all Lawful Permanent Residents (LPRs) eligible for an exemption – returning and first time arrivals?

- a. It is important to understand that individuals with immigrant visas overseas are not LPRs. Eligible individuals only become Lawful Permanent Residents once they have been inspected and admitted at a port of entry.
- b. Lawful Permanent Residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed on a case-by-case

basis for exceptions upon arrival at ports of entry, as appropriate. CBP is processing exemptions consistent with the Secretary's guidance.

- 6. Did CBP deport any individuals following the stay granted in NY and prior to the issuance of guidance to the field?**
 - a. This is the subject of ongoing litigation. Please refer these questions to DOJ.
- 7. Did CBP have an implementation plan prior to the EO being released?**
 - a. The Executive Order and the instructions therein were effective at the time of the order's signing. Guidance was provided to DHS field personnel shortly thereafter.
- 8. Has CBP issued clear guidance to the Field on the EO and the court orders?**
 - a. Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.
- 9. What coordination is being done between CBP and the carriers?**
 - a. CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.
- 10. When did enforcement of the EO start?**
 - a. The Executive Order became effective on January 27, 2017.
- 11. The EO lists specific visa category exemptions, such as diplomatic visas. Are there any visa category exemptions not listed?**
 - a. Visa categories that are exempt are listed in the Executive Order.
- 12. Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.**
 - a. CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and our officers are well trained to ensure that individuals make voluntary decisions.
- 13. Is there a process for LPRs/Refugees/Returning Students who might be eligible for an exemption to qualify/apply for that exemption overseas? Is it true that only individuals who are able to reach a POE are given the chance for an exemption?**
 - a. It is important to note that the Secretary of State has equivalent authority to grant waivers. We recommend questions about overseas implementation be directed to the Secretary of State.

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
9/28/2017 5:25:22 AM

- 14. Is CBP searching social media profiles of those affected by the Executive Order**
- a. CBP has processes and procedures in place with respect to appropriate searches of individuals when they arrive at ports of entry. You may find the privacy impact assessment, for instance, with respect to social media for ESTA applicants here: <https://www.dhs.gov/sites/default/files/publications/privacy-pia-cbp-esta-september2016.pdf>. Public guidance regarding the search of electronics can be found on the CBP website.
- 15. Have any individuals impacted by the Executive Order been transferred to ICE custody?**
- a. Individuals affected by the Executive Order, even if they are provided an exemption, may still be inadmissible. Individuals who are inadmissible, for instance for criminal grounds, are still being processed in a manner that is consistent with the court orders.
- 16. Does this Executive Order apply to dual nationals of the seven countries who want to enter the U.S.? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?**
- a. Travelers are being processed and when eligible admitted according to the travel document they present.

Additional Questions

- 17. Can a dual national traveling with a passport from an unrestricted country travel to the U.S.?**
- a. Dual nationals with a valid immigrant or nonimmigrant visa in a passport issued by any country not restricted under the Executive Order will be permitted to apply for admission to the United States.
- 18. Can a dual national who holds nationality with a restricted country and is currently overseas, apply for an immigrant or nonimmigrant visa to the United States?**
- a. Posts are allowed to process visa applications and issue nonimmigrant and immigrant visas to otherwise eligible visa applicants who apply with a passport from an unrestricted country, even if they hold dual nationality from a restricted country. Please contact the Department of State with any questions related to the issuance of visas.
- 19. Will Canadian immigrants affected by the Executive Order be eligible for entry to the United States?**
- a. Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for admission to the United States, if the individual presents that passport with a valid immigrant or nonimmigrant visa, proof of their landed immigrant status, and only if the travel both originates in Canada and is through a land border or a preclearance location.

Frequently Asked Questions

- 20. Can Canadian immigrants affected by the Executive Order apply for an immigrant or nonimmigrant visa to the United States?**
- a. Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport, and proof of landed immigrant status, to a consular officer. These applications shall be made at a U.S. consular section in Canada.
- 21. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?**
- a. The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.
- 22. Will nationals of restricted countries with valid green cards be allowed to return to the United States?**
- a. As stated by Secretary Kelly, the entry of U.S. lawful permanent residents is deemed to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in case-by-case determinations.
- 23. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?**
- a. In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.
- 24. Does this affect travelers at all ports of entry?**
- a. Yes, this Executive Order applies to all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen applying for entry to the United States at any port of entry—air, land or sea.
- 25. Does CBP have the authority to search individuals' electronics?**
- a. All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All

persons, baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.

Good morning,

Please see attached images of passengers boarded via LH 422 as requested.

These were referred to IAP FRA based on EO under 212f. For clarification, IAP FRA gave a No Board recommendation on all passengers which was acknowledged by the Lufthansa flight manager and Lufthansa Corporate Security. The decision was made by the carrier to accept the passengers for travel despite the No Board recommendation.

DFO Ferrara,

As mentioned on the conference call Friday evening regarding the Executive Order, the (b)(7)(E) was seeking guidance regarding the processing of applications, initial, renewal and recurrent, of citizens of the seven identified countries. The Trusted Traveler Program partner countries (Canada, Germany, Mexico, Netherlands, Panama, Republic of Korea, Israel, Qatar, Saudi Arabia, India, Colombia, Japan, Singapore, United Kingdom) do not include any of those identified in the Executive Orders.

We have received some guidance this morning from Headquarters regarding (b)(7)(E) and applicants who are the subject of (b)(7)(E) (attached). This guidance does not address new applicants or renewal applications if the applicants are not the subject of (b)(7)(E) but meet the criteria of the EO.

CIVIL ACTION NO. 17-cv-10154

v.

DONALD TRUMP, President of

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

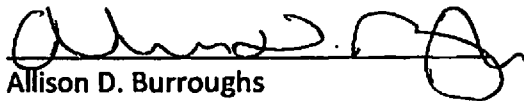

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

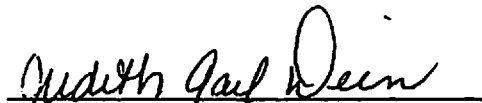

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.

Here's the guidance:

Airlines are informed that CBP will process all individuals arriving at Logan Airport in accordance with the law. Upon arrival at Logan International Airport all individuals will be processed in accordance with the law, including to determine if they are inadmissible. Those individuals who are inadmissible will be placed in appropriate removal proceedings and detained only where it is permissible under the law. See INA 235(b)(1). Carriers are reminded that it is unlawful to bring into the United States any alien who does not have a valid passport and an unexpired visa, if a visa was required under the Act or regulations issued thereunder.

CIVIL ACTION NO. 17-cv-10154

v.

DONALD TRUMP, President of
The United States, et al.,

Respondents

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.

Subject: TTP Executive Order Guidance and Tracking
Importance: High

Good morning,

Guidance was just received from HQ regarding the Executive Order and the processing of Trusted Traveler applications, including 24 hr Vetting. At this time the impact on the Trusted Traveler Programs is unknown, however (b)(7)(E) relating to the EO and 212(f) have already been encountered.

If an applicant is the subject of a (b)(7)(E) needs to be considered and that applicant could be denied/ revoked based on the (b)(7)(E) These records must be forwarded to Director Review the same way any other potentially derogatory record is. TTP applicants /members with the (b)(7)(E) relating to the EO must be tracked.

Tracking (include vetting and 24-hr):

Any records that you encounter related to the EO and 212(f), please document the following information (record in the stats database comments section or include in your stats email to the supervisors if you are unable to access the database).

Include the following:

- Pass ID and date record was reviewed

Please let me know if you have any questions.

Thank you,

Subject: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

MEMORANDUM FOR: Directors, Field Operations
Director, Pre-Clearance

FROM: (b)(6), (b)(7)(C) /s/
Deputy Executive Director, Operations (Acting)
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ((b)(7)(E)). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C) 1850. For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

Below is a recap of the EAC call at 1630 today. Many items were discussed and I tried to capture the highlights below. It was very clear that the situation is rapidly changing and is anticipated that it will be this way for the next 24-48 hours.

- **HQ has communicated with many stakeholders in the air industry and the tone was cordial**
- **No change to the Dual Passport processing procedures**
- **DoS did a provisional suspension of Visas. This may cause some folks that should be denied boarding foreign to slip through and show up at the port**
- **NTC- all rues have been put into place**
 - LPR should now be hitting on the Hot List
- **If we encounter a LPR TSBD at the land border we will put them into proceedings**
 - The charge will be 212 (F)
 - We will contact ERO and put them into proceedings
 - (b)(6), (b)(7)(C), (b)(7)(E)

- **Information will be received by 1900 outlining procedures for exemption request above my approval level**
- **Congressional Affairs**
 - DAC (b)(6), (b)(7)(C) asked that all Congressional stakeholder inquiries be sent to the following e-mail address'
 - **(b)(6), (b)(7)(C)**
 - Do not engage in conversation with respect to the EO, just refer
- **We need to report immediately any high profile detentions and protests to HQ**
 - Immediate telephonic notification will be made to (b)(6), (b)(7)(C) or Me
 - A written report must follow
- **Office of Public Affairs**
 - AC Friel noted that FAQ and a Web posting will be available this evening
 - Continue to refer all inquiries to OPA (b)(6), (b)(7)(C) and PAL (b)(6), (b)(7)(C)
 - Don't provide any answer a no comment or a simple answer of I don't know, according to the AC, is not acceptable at this juncture

Gents,

With all the changes that the latest executive order brings, a potential outcome that we must be prepared to deal with is community/traveler backlash. We need to ensure that we talk to our troops and reinforce the need to be professional when dealing with potential situations and most importantly stay vigilant both on and off duty.

We will most likely have a discussion tomorrow morning on steps we may want to take to ensure that we are able to message and react to situations.

Thanks,
Bill

Going over these points, I have a question. AC Friel feels it isn't acceptable to respond in any way when we get questions about the EO? When we're conducting a (b)(7)(E) it is easy for someone to say, don't say anything, but our folks will be put on the spot. I don't think that is a practical approach.

Below is a recap of the EAC call at 1630 today. Many items were discussed and I tried to capture the highlights below. It was very clear that the situation is rapidly changing and is anticipated that it will be this way for the next 24-48 hours.

- **HQ has communicated with many stakeholders in the air industry and the tone was cordial**
- **No change to the Dual Passport processing procedures**

- **DoS did a provisional suspension of Visas. This may cause some folks that should be denied boarding foreign to slip through and show up at the port**
- **NTC- all rules have been put into place**
 - LPR should now be hitting on the Hot List
- **If we encounter a LPR TSBD at the land border we will put them into proceedings**
 - The charge will be 212 (F)
 - We will contact ERO and put them into proceedings
 - (b)(6), (b)(7)(C), (b)(7)(E)
- **Information will be received by 1900 outlining procedures for exemption request above my approval level**
- **Congressional Affairs**
 - DAC (b)(6), (b)(7)(C) asked that all Congressional stakeholder inquiries be sent to the following e-mail address'
 - (b)(6), (b)(7)(C)
 - Do not engage in conversation with respect to the EO, just refer
- **We need to report immediately any high profile detentions and protests to HQ**
 - Immediate telephonic notification will be made to (b)(6), (b)(7)(C) or Me
 - A written report must follow
- **Office of Public Affairs**
 - AC Friel noted that FAQ and a Web posting will be available this evening
 - Continue to refer all inquiries to OPA (b)(6), (b)(7)(C) and PAL (b)(6), (b)(7)(C)
 - Don't provide any answer a no comment or a simple answer of I don't know, according to the AC, is not acceptable at this juncture

The have been informed by passengers attempting to fly to the U.S., immigration attorneys, and from their own internal airline operations that the Temporary Restraining Order would allow individuals who might fall within the purview of the Executive Order to fly to or into the United States.

Attached is a copy of the Temporary Restraining Order that was handed to an airline agent in Montreal by an individual attempting to fly through Montreal to the US. Any questions please feel free to contact me, thank you.

I'm perplexed. Why would you send my messages to other field offices employee's directly? To be clear when you asked about messaging to trade folks there was an understanding (Since we were talking at the time of messaging our folks) that it was for BFO trade staff and you were going to craft a message that was for them and their specific needs. My messages to the BFO employees could conflict with other field offices and cause confusion and countermand other DFOs guidance, never mind labor issues. We need to make sure that policy messages sent to other FOs employees' are cleared from that FO.

Subject: Information on latest Executive Order for all BFO Employees

Team,

Last night, President Trump issued an executive order with notable implications for U.S. Customs and Border Protection. Key highlights are below and you will be receiving additional information in musters and from your supervisors. We are committed to providing you with updated information and guidance as soon as it becomes available. This is a very fluid and quickly changing situation, and I expect changes will come often.

You are the face of this organization; I recognize that each of you will be affected by this in many ways given your outward-facing role. I would ask that all continue to maintain the highest level of professionalism and stay focused on the mission. Communicate your concerns and questions to your supervisors, and they will be answered.

As you always do, be mindful of your comments. We do not want all of the good work that you do day in and day out to be diminished because of remarks being sensationalized in the public, the media, or any other venue. We live in a world where cameras are everywhere and word choice is critical. If in the course of your duties, you are asked why you are carrying out the executive order, state that you work for the Executive Branch and you are carrying out an order issued by the President. If you are asked what you think of the executive order or for your opinion on it, please refrain from offering any opinions and just respond that you are not able to discuss the matter.

All media inquiries should be directed to (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) (b)(6), (b)(7)(C). Any requests for information for other stakeholders should be directed to your chain of command to address as appropriate.

As evidenced by the protests at other locations, the changes from this executive order have the potential to produce a number of very emotional situations. It is absolutely critical that you remain vigilant both on and off duty; uniformed personnel should wear cover jackets and protective gear as appropriate.

KEY HIGHLIGHTS:

- Effective immediately, all entry into the United States for aliens who are national from Iran, Iraq, Somalia, Libya, Syria, Yemen and Sudan is suspended. Existing visas have been revoked by the Department of State.
- Non-immigrants and first-time arriving immigrants will be allowed to withdraw their application for admission in lieu of expedited removal (ER), unless an ER is appropriate.
- A, G, and C-2 visa holders are exempt.
- Legal Permanent Residents (LPR) from these countries can only be granted an exemption (212(f)) from the DFO, assuming they are otherwise admissible. All waiver requests should be submitted through your chain of command.
- (b)(7)(E)
- Fear claims will be processed as normal.
- (b)(7)(E)
- There will be challenges with families of mixed statuses.
 - For example, LPR parents with U.S. citizen children. In these instances, children will stay with their parents who may be eligible for an exemption.
 - H1B with U.S. citizen children will stay with their parent, who will be allowed to withdraw.
- Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Again, I recognize that this executive order will impact many of you in many ways. I thank you for your professionalism as we enforce it and for your patience as we work to address all of its implications.

He is invoking the Boston Logan Court Order as his right to enter the US. Both (b)(6), (b)(7)(C) and Senator Warren's office are involved. It won't be long before calls will be made at a higher level and the press is involved. We are expecting similar incidents to happen as many groups here are advertising that if you come to Boston this Court Order will allow you entry. More to come.

Team,

Below is the latest guidance received from HQ. The instructions state "no alien subject to the Executive Order may be subject to Expedited Removal or another immediate form of removal".

I now have the authority to grant refugees with completed packages an exemption. This will have little to no impact on operations, but wanted to share.

CIVIL ACTION NO. 17-cv-10154

v.

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

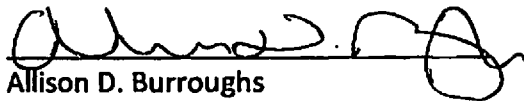

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

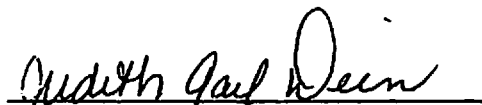

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.
