Sir – added the statement we discussed at the top of the document. It is copied here as well.

Statement

As Secretary Kelly noted in his press conference Tuesday, upon issuance of the court orders, CBP immediately began taking steps to comply and did so with professionalism. We are and will remain in compliance with judicial orders.

CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

Policy prohibits discussion of individual cases of admissibility, however federal travel regulations require all international visitors to have a valid travel document to travel to the United States. Per the Executive Order, certain classes of immigrant and non-immigrant visas were provisionally revoked by the Department of State rendering them invalid.

IAP FRA confirms that the [redacted] has been issued a boarding pass for the LH Boston flight.

LH has also advised IAP that they have received verbal guidance from an unspecified source to board EO nationals on the Boston flight and have issued four to eight boarding for additional EO nationals on the same flight.

(b)(5), (b)(7)(E)

The flight will begin boarding in the next few minutes; we'll find out shortly if LH will comply with IAP boarding recommendations or if they will board the additional EO nationals.

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
 Frequently Asked Questions
 9/28/2017 6:07:29 AM

1. **How many persons impacted by the EO are currently detained at each Port of Entry (POE)?**
 - a. All individuals who arrive in the United States are subject to inspection. This inspection may require additional time. There are many reasons why an inspection may take more time. However, at this moment, there are no individuals held in custody on the basis of the Executive Order.
2. **What is happening to those currently in detention? Will they be released?**
 - a. CBP is not currently holding in its custody any individual based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order.
3. **How many no-board recommendations have been issued? How many individuals were denied entry to the United States due to the Executive Order? Please break this number out by refugees, LPRs, Students, and other NIVs.**
 - a. There are a number of reasons that we may make a recommendation to a carrier that they not board an individual, including because their visa is no longer valid. Below are the actions taken in accordance with the Executive Order signed January 27, 2017. *Statistics are valid as of 1500 hrs, January 30, 2017*

CBP Executive Order Actions	
Recommended Denial of Boarding	721
Legal Permanent Resident (LPR) waivers	1,059
Visa holders granted waivers	75

4. **Please explain the process for considering an individual for an exemption under the EO.**
 - a. Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the U.S. falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.
5. **Are all Lawful Permanent Residents (LPRs) eligible for an exemption – returning and first time arrivals?**
 - a. It is important to understand that individuals with immigrant visas overseas are not LPRs. Eligible individuals only become Lawful Permanent Residents once they have been inspected and admitted at a port of entry.
 - b. Lawful Permanent Residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed on a case-by-case

basis for exceptions upon arrival at ports of entry, as appropriate. CBP is processing exemptions consistent with the Secretary's guidance.

- 6. Did CBP deport any individuals following the stay granted in NY and prior to the issuance of guidance to the field?**
 - a. This is the subject of ongoing litigation. Please refer these questions to DOJ.
- 7. Did CBP have an implementation plan prior to the EO being released?**
 - a. The Executive Order and the instructions therein were effective at the time of the order's signing. Guidance was provided to DHS field personnel shortly thereafter.
- 8. Has CBP issued clear guidance to the Field on the EO and the court orders?**
 - a. Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.
- 9. What coordination is being done between CBP and the carriers?**
 - a. CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.
- 10. When did enforcement of the EO start?**
 - a. The Executive Order became effective on January 27, 2017.
- 11. The EO lists specific visa category exemptions, such as diplomatic visas. Are there any visa category exemptions not listed?**
 - a. Visa categories that are exempt are listed in the Executive Order.
- 12. Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.**
 - a. CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and our officers are well trained to ensure that individuals make voluntary decisions.
- 13. Is there a process for LPRs/Refugees/Returning Students who might be eligible for an exemption to qualify/apply for that exemption overseas? Is it true that only individuals who are able to reach a POE are given the chance for an exemption?**
 - a. It is important to note that the Secretary of State has equivalent authority to grant waivers. We recommend questions about overseas implementation be directed to the Secretary of State.

Frequently Asked Questions
9/28/2017 6:07:29 AM

- 14. Is CBP searching social media profiles of those affected by the Executive Order**
- a. CBP has processes and procedures in place with respect to appropriate searches of individuals when they arrive at ports of entry. You may find the privacy impact assessment, for instance, with respect to social media for ESTA applicants here: <https://www.dhs.gov/sites/default/files/publications/privacy-pia-cbp-esta-september2016.pdf>. Public guidance regarding the search of electronics can be found on the CBP website.
- 15. Have any individuals impacted by the Executive Order been transferred to ICE custody?**
- a. Individuals affected by the Executive Order, even if they are provided an exemption, may still be inadmissible. Individuals who are inadmissible, for instance for criminal grounds, are still being processed in a manner that is consistent with the court orders.
- 16. Does this Executive Order apply to dual nationals of the seven countries who want to enter the U.S.? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?**
- a. Travelers are being processed and when eligible admitted according to the travel document they present.

Additional Questions

- 17. Can a dual national traveling with a passport from an unrestricted country travel to the U.S.?**
- a. Dual nationals with a valid immigrant or nonimmigrant visa in a passport issued by any country not restricted under the Executive Order will be permitted to apply for admission to the United States.
- 18. Can a dual national who holds nationality with a restricted country and is currently overseas, apply for an immigrant or nonimmigrant visa to the United States?**
- a. Posts are allowed to process visa applications and issue nonimmigrant and immigrant visas to otherwise eligible visa applicants who apply with a passport from an unrestricted country, even if they hold dual nationality from a restricted country. Please contact the Department of State with any questions related to the issuance of visas.
- 19. Will Canadian immigrants affected by the Executive Order be eligible for entry to the United States?**
- a. Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for admission to the United States, if the individual presents that passport with a valid immigrant or nonimmigrant visa, proof of their landed immigrant status, and only if the travel both originates in Canada and is through a land border or a preclearance location.

Frequently Asked Questions

20. Can Canadian immigrants affected by the Executive Order apply for an immigrant or nonimmigrant visa to the United States?

- a. Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport, and proof of landed immigrant status, to a consular officer. These applications shall be made at a U.S. consular section in Canada.

21. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?

- a. The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.

22. Will nationals of restricted countries with valid green cards be allowed to return to the United States?

- a. As stated by Secretary Kelly, the entry of U.S. lawful permanent residents is deemed to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in case-by-case determinations.

23. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?

- a. In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.

24. Does this affect travelers at all ports of entry?

- a. Yes, this Executive Order applies to all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen applying for entry to the United States at any port of entry—air, land or sea.

25. Does CBP have the authority to search individuals' electronics?

- a. All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All

persons, baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.

Sir,

Two FYIs:

1) Phone Blitz – (b)(6), (b)(7)(C), and Logan International Airport are experiencing a heavy volume of calls regarding the EO. People are asking who is detained and/or attempting to advise us how to implement the law. At Logan, it appears that the same individuals are dialing the main airport number and hitting extensions. We have advised the port to reiterate that due to privacy laws we are unable to share any information about specific individuals, but people can check our website for the most up to date information and statistics, and that they can call the CBP Info Center to for any other questions.

2) Sup Info Sheet Aid (b)(6), (b)(7)(C) asked for a review of the attached, which he plans on sending out to his sups as a reference sheet. It might be helpful for the other two area ports; do you concur with us sharing further?

We believe that Senator Warren may want to talk to CBP and enter the FIS at some point during the planned protest today. Understanding that we can inform her that we are in compliance with all orders and that we further understand that OCA, at the HQ level, is setting up calls with delegations. My issue is the optics of us saying these things through the glass window at our front desk. If we invite her in to the Entrance and Clearance office, behind the glass, we could say the couple of things we are allowed and not say a whole lot of anything else. There is the risk that she would want to see the facility and secondary. Our answer would be that we would be happy to do so, but these visits must be made through our OCA office in HQ. We would of course provide her with (b)(6), (b)(7)(C) information.

I would appreciate your thoughts promptly as the court sessions has ended and everyone will be heading to Logan.

Also, you each have a VM form me, it was in regard to this matter.

Just to give you a heads up, U.S. representative Seth Moulton came into the E&C a few minutes ago accompanied by some lawyers from AILA.

They asked for me and wanted to introduce me to Mr. Moulton. The Congressman very graciously wanted to shake my hand and complement our staff here at Logan because he has been told by the AILA attorneys that every one of the passengers subject to the E.O. who has been processed here at Logan in the last week has spoken about how our officers and supervisors have treated them with a great deal of respect and professionalism. The Congressman wanted to make sure he thanked us personally for that and spoke about his time with the U.S. Marines and how important it is to perform our job in difficult circumstances with professionalism and respect and really wanted us to know he appreciates us.

He didn't ask any questions about our processing. The AILA attorneys did mention that they would be outside waiting for the passengers arriving on the LH 424.

By the way, I believe one of his aides might have taken a photo of me talking to him.

Thank you.

ARGHAVAN LOUHGHALAM,

Petitioners,

CIVIL ACTION NO. 17-cv-10154

v.

DONALD TRUMP, President of
The United States, et al.,

Respondents

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.

Here's the guidance:

Airlines are informed that CBP will process all individuals arriving at Logan Airport in accordance with the law. Upon arrival at Logan International Airport all individuals will be processed in accordance with the law, including to determine if they are inadmissible. Those individuals who are inadmissible will be placed in appropriate removal proceedings and detained only where it is permissible under the law. See INA 235(b)(1). Carriers are reminded that it is unlawful to bring into the United States any alien who does not have a valid passport and an unexpired visa, if a visa was required under the Act or regulations issued thereunder.

Two FYIs:

People are asking who is detained and/or attempting to advise us how to implement the law. At Logan, it appears that the same individuals are dialing the main airport number and hitting extensions. We have advised the port to reiterate that due to privacy laws we are unable to share any information about specific individuals, but people can check our website for the most up to date information and statistics, and that they can call the CBP Info Center to for any other questions.

2) Sup Info Sheet Aid – (b)(6), (b)(7)(C) asked for a review of the attached, which he plans on sending out to his sups as a reference sheet. It might be helpful for the other two area ports; do you concur with us sharing further?

Subject: Recap of 1630 conference call
Importance: High

Below is a recap of the EAC call at 1630 today. Many items were discussed and I tried to capture the highlights below. It was very clear that the situation is rapidly changing and is anticipated that it will be this way for the next 24-48 hours.

- **HQ has communicated with many stakeholders in the air industry and the tone was cordial**
- **No change to the Dual Passport processing procedures**
- **DoS did a provisional suspension of Visas. This may cause some folks that should be denied boarding foreign to slip through and show up at the port**
- **(b)(7)(E) all rules have been put into place**
 - LPR should now be hitting on the Hot List
- **If we encounter a LPR TSBD at the land border we will put them into proceedings**
 - The charge will be 212 (F)
 - We will contact ERO and put them into proceedings
 - (b)(6), (b)(7)(C), (b)(7)(E)
- **Information will be received by 1900 outlining procedures for exemption request above my approval level**
- **Congressional Affairs**
 - DAC (b)(6), (b)(7)(C) asked that all Congressional stakeholder inquiries be sent to the following e-mail address'

(b)(6), (b)(7)(C)

- Do not engage in conversation with respect to the EO, just refer
- **We need to report immediately any high profile detentions and protests to HQ**
 - Immediate telephonic notification will be made to: **(b)(6), (b)(7)(C)** or Me
 - A written report must follow
- **Office of Public Affairs**
 - AC Friel noted that FAQ and a Web posting will be available this evening
 - Continue to refer all inquiries to OPA **(b)(6), (b)(7)(C)** and PAL **(b)(6), (b)(7)(C)**
 - Don't provide any answer a no comment or a simple answer of I don't know, according to the AC, is not acceptable at this juncture

FYI,

I thought you would like to know that Logan International Airport is beginning to experience a heavy volume of calls regarding the Presidents Executive Order.

Person are asking who is detained and or attempting to advise us how to implement the law. It appears that the same individuals are dialing the main airport number and hitting extensions.

Hi guys,

I wanted to circle back with you and share that we're holding on finalizing TP's on Boston specific matters related to the EO until next week. There's court activity today to discuss the extension of the TRO and some other moving pieces, so anything we put down on paper now, would likely not be accurate by the time we shared it and with the pending litigation our ability to share may also be limited.

We will certainly keep you posted when/if anything changes and please let us know if you need anything in the meantime.

All,

For awareness, OCA has advised that Sen Warren is pushing hard for a call with S1 on CBP's adherence to the TRO in Boston, specifically as it relates to our comms with the air carriers. I can OCA the basic run down of what our comms were and they are clearing an ability to reply verbally through counsel. OCA is aware of the court and flight activity today and how it may hinder our ability to speak on these matters.

Morning Bill,

If possible, could you have someone let myself and Acting DFOD (b)(6), (b)(7)(C) know if you all plan on turning anyone from the 7 countries over to us (name, A-number, country)?

We now have very strict reporting requirements to ICE HQ either once and sometimes twice a day. Thanks, (b)(6)

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

MAZDAK POURABDOLLAH
TOOTKABONI and
ARGHAVAN LOUHGHALAM,

Petitioners,

CIVIL ACTION NO. 17-cv-10154

v.

DONALD TRUMP, President of
The United States, et al.,

Respondents

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.

In addition, OPA just released the following:

All,

Here's a statement just released –feel free to respond to your local outlets attributable to a DHS spokesperson. If they want a name provide Gillian Christensen – DHS spokesperson.

"In accordance with the judge's ruling, DHS has suspended any and all actions implementing the affected sections of the Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States."

This includes actions to suspend passenger system rules that flag travelers for operational action subject to the Executive Order.

DHS personnel will resume inspection of travelers in accordance with standard policy and procedure.

At the earliest possible time, the Department of Justice intends to file an emergency stay of this order and defend the President's Executive Order, which is lawful and appropriate. The Order is intended to protect the homeland and the American people, and the President has no higher duty and responsibility than to do so."

Federal judge blocks deportations mandated by Trump's order

Judge Ann Donnelly of the US District Court in Brooklyn granted a request from the ACLU to stay deportations of those detained on entry to the United States following President Donald Trump's executive order.

After a brief hearing in front of a small audience that filtered in from a crowd of hundreds outside, Donnelly determined that the risk of injury to those detained by being returned to their home countries necessitated the decision.

As Trump's order targeting citizens from seven predominantly Muslim countries reverberated across the world on Saturday, it became increasingly clear that the controversial measure he had promised during his presidential campaign was casting a wider net than even his opponents had feared.

Confusion and concern among immigrant advocates mounted throughout the day as travelers from the Middle East were detained at US airports or sent home.

Subject: Special report: Trump's immigration order and the tumultuous 34 hours that followed

After the stroke of Trump's pen, a dramatic 34 hours

President Donald Trump paused as he removed the cap from his pen, an executive order severely limiting immigration from seven Muslim-majority nations waiting on the desk before him.

"That's big stuff," the president said, and scrawled his jagged signature.

In the 34 hours that followed, lawyers would mount a frantic effort to overturn the order; politicians and protesters would descend on Logan International Airport as detainees waited behind closed doors; and somehow, at a federal court hearing in the middle of the night, they would win.

Boston judges put temporary stop to Trump immigration order

In a rare middle-of-the night decision, two federal judges in Boston have temporarily halted President Trump's executive order blocking immigrants from seven Muslim-majority nations from entering the United States.

At 1:51 a.m. Sunday, Judge Allison Burroughs and Magistrate Judge Judith Dein imposed a seven-day restraining order against Trump's executive order, clearing the way for lawful immigrants from the seven barred nations — Iran, Iraq, Yemen, Somalia, Sudan, Libya, and Syria — to enter the US.

v.

DONALD TRUMP, President of

TEMPORARY RESTRAINING ORDER

January 29, 2017

BURROUGHS, U.S.D.J.

On January 28, 2017 the Petitioners filed a Petition for Writ of Habeas Corpus and Complaint for Declaratory and Injunctive Relief.

After consideration of the written submissions, arguments of counsel, and the hearing held on January 28-29, 2017, the Court hereby finds as follows:

1. The petitioners have met their burden of establishing a strong likelihood of success in establishing that the detention and/or removal of the petitioners and others similarly situated would violate their rights to Due Process and Equal Protection as guaranteed by the United States Constitution;

2. Absent a stay of removal, petitioners and others similarly situated, including lawful permanent residents, citizens, visa-holders, approved refugees, and other individuals from nations who are subject to the January 27, 2017 Executive Order, are likely to suffer irreparable harm.

3. The balance of harms favors the issuance of this temporary restraining order and its issuance is in the public interest.

NOW, THEREFORE, IT IS HEREBY ORDERED

I. that respondents, their officers, agents, servants, employees, attorneys, and all members and persons acting in concert or participation with them:

a) shall limit secondary screening to comply with the regulations and statutes in effect prior to the Executive Order, including 8 U.S.C. § 1101(a)(13)(C);

b) shall not, by any manner or means, detain or remove individuals with refugee applications approved by U.S. Citizenship and Immigration Services as part of the U.S. Refugee Admissions Program, holders of valid immigrant and non-immigrant visas, lawful permanent residents, and other individuals from Iraq, Syria, Iran, Sudan, Libya, Somalia and Yemen who, absent the Executive Order, would be legally authorized to enter the United States;

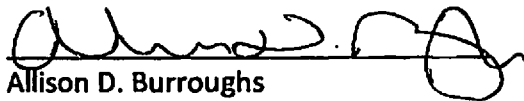

c) to assure compliance with this Order, the United States Marshal for the District of Massachusetts shall be served with this Order and is further directed to take those actions deemed necessary to enforce this Order; and

d) Customs and Border Protection shall notify airlines that have flights arriving at Logan Airport of this Order and the fact that individuals on these flights will not be detained or returned based solely on the basis of the Executive Order.

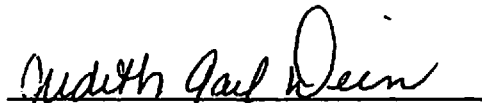

II. This Order shall remain in effect for a period of seven (7) days from the date of this Order.

The Court shall schedule a hearing prior to the expiration of this Order.

III. Petitioners shall file an Amended Complaint by January 30, 2017.

All,

Be sure that we muster in person (telephone for the weekend workers) all our employees.

Also, all inquiries are to be directed to our public affairs people in the field office (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) (b)(6), (b)(7)(C)

The most that we can say is CBP enforces us laws, policies, and executive orders.

Thanks,

A (b)(6), (b)(7)(C) called the JKM POE to inquire if we were enforcing Pres. Trump's Executive Order.

CBPAS (b)(6), (b)(7)(C) fielded the call, she requested his contact info and informed him the office that handles these type of questions would get back to him.

(b)(6), (b)(7)(C) was reluctant to give such info and continued to ask questions. He asked how many people we were detaining and if anyone was in custody. CBPAS (b)(6), (b)(7)(C) continued to deflect the question and repeatedly stated that his questions would be passed along to the appropriate party. (b)(6), (b)(7)(C) finally gave his telephone number, he then proceeded to state his unfavorable opinions on the Executive Order and that he hoped CBP in Jackman was not following it. CBPAS (b)(6), (b)(7)(C) replied "thank you, sir" and ended the call.
