FYI – I haven't seen anything on our official channels confirming this, but the Canadian media has been running stories regarding Permanent Residents as follows, which are reported to be based on comments yesterday by our Immigration Minister: <http://www.cbc.ca/news/politics/canada-hussen-reaction-to-trump-travel-restrictions-1.3957515>

No response required, but I thought you might like a heads-up in case you start to see travellers from Canada over the next few days acting on these reports.

Hi: (b)(6), (b)(7)(C)

Quickly and unofficially (as I understand you must be having quite a day), I am wondering if any Canadians or Permanent Residents of Canada originally from the countries included in the executive order are being detained (or have been denied entry) at airports under your responsibility as a result of the order?

I have not been contacted by our after-hours watch office, but after hearing the news regarding the effects on US Green Card holders, I thought I should contact you proactively to be sure that none of our nationals/residents are getting caught up in this.

Thank you again.

**ACTION MEMO FOR ACTING SECRETARY (b)(6), (b)(7)(C)**

FROM: PRM (b)(6), (b)(7)(C) Acting

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

**Recommendation**

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6), (b)(7)(C) Disapprove \_\_\_\_\_

**Background**

(SBU) The Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that "the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States."

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

Office of the Press Secretary

For Immediate Release

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

**ACTION MEMO FOR ACTING SECRETARY (b)(6), (b)(7)(C)**

FROM: PRM - (b)(6), (b)(7)(C) Acting

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

**Recommendation**

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6), (b)(7)(C) Disapprove \_\_\_\_\_

**Background**

(SBU) The Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that "the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States."

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

For Immediate Release

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

**ACTION MEMO FOR ACTING SECRETARY (b)(6)**

FROM: PRM – (b)(6), (b)(7)(C) Acting

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

**Recommendation**

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6) Disapprove \_\_\_\_\_

**Background**

(SBU) The Executive Order “Protecting the Nation from Foreign Terrorist Entry into the United States” (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that “the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States.”

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

(SBU) PRM is seeking for you and DHS to determine jointly to admit three additional refugees who are already in transit through February 2. One of the group, a five-year old girl, is from Somalia, one of the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. The two Afghan refugees should have been included in the list of 872 refugees for whom we requested an exemption on January 28, 2017. Without this humanitarian measure, these refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. Both refugees are unaccompanied minors. MEMORANDUM TO THE ACTING SECRETARY OF STATE, THE ACTING ATTORNEY GENERAL, AND THE SECRETARY OF HOMELAND SECURITY

FROM: Donald F. McGahn II – Counsel to the President

SUBJECT: Authoritative Guidance on Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Hi (b)(6), (b)(7)(C)

Quickly and unofficially (as I understand you must be having quite a day), I am wondering if any Canadians or Permanent Residents of Canada originally from the countries included in the executive order are being detained (or have been denied entry) at airports under your responsibility as a result of the order?

I have not been contacted by our after-hours watch office, but after hearing the news regarding the effects on US Green Card holders, I thought I should contact you proactively to be sure that none of our nationals/residents are getting caught up in this.

Thank you again.

Area Port Directors,

Attached is the updated reporting spreadsheet that should be utilized for your reporting going forward. Of course everything is fluid so you this spreadsheet could be updated once again.

This spreadsheet has 9 columns instead of 7. Those two additional columns are for **LPR's not granted Waivers** and they have separated the **number of Immigrant visas encountered from number of LPR's encountered**. Those are now 2 separate columns.

I would also like to move the reporting times up by a half hour.

All times are CST

0330  
1330  
1930

If I may I would like to send out the attached reporting template to the ports. Just spoke to field liaison and they don't think it will be changed. Of course everything is fluid so you never know. But this way we can provide them the correct reporting document for the time being.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Oder Reporting attached.

**Please use this version** of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

**Also required** is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

Thank you,

 Deputy Executive Director, Operations (Acting)  
 Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E)  
 (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

This is the latest report that O'Hare sent out this morning at 0330. I have discovered a discrepancy in the cumulative number for total number of LPR Sudanese encountered. O'Hare is reporting 4, but my numbers were only showing 2.

I just went back and reviewed each report that O'Hare sent out beginning on Saturday and ending this morning at 0330. The total number that I come up with and was reported on the reporting period totals spreadsheet is 2, not 4.

Can you have that number corrected on the spreadsheet? Also can you reiterate to officers assigned to do this report that they should complete the tab in the spreadsheet marked Chicago and not the one named Project Tracker. Thanks,

Dublin Update  
Immigration E.O.: Focus on U.S. Preclearance, Deputy PM's Condemnation

(SBU) U.S. preclearance in Ireland is "critically important" to the Irish economy, according to Dublin Airport CEO Kevin Toland. He said, "Ireland is the envy of Europe with its U.S. preclearance," terming it a privilege available to no other EU country. He underlined that U.S. preclearance gives Dublin a major competitive advantage. Separately, Ireland's Transportation Department requested that U.S. Customs and Border Patrol counterparts convene the Preclearance

Consultative Group (PCCG) within the next two weeks in light of the public outcry over the E.O. The group, which meets periodically under the terms of the U.S. Ireland preclearance meeting, had planned to meet in March.

(SBU) Deputy Prime Minister (Tánaiste) and Justice Minister Frances Fitzgerald said the E.O. is “morally questionable” and “extraordinarily disappointing.” She added the government’s response should focus on policy responses, but exclude discussion of preclearance. Foreign Minister Charlie Flanagan said he conveyed to NSA Flynn on January 31 Irish and EU’s concern on the E.O., underlining its damaging humanitarian consequences and U.S. reputational damage. UN Special Envoy for Climate Change Mary Robinson, who is also a former President of Ireland, called the E.O. “very un-American” and expressed her fear it “may act as a recruitment tool for ISIS and make things worse.”

(SBU) Comment: Ireland values its progressive aviation policy as a driver of economic growth and U.S. preclearance has been a jewel in its crown. Irish stakeholders are aware that preclearance expansion into Europe poses a competitive threat. Nonetheless, they have remained cooperative with European peers as they explore preclearance opportunities. It appears Irish political pragmatism has asserted itself overnight. Political leaders seem intent on focusing objections to the E.O. in the policy arena while seeking to avoid serious discussion of preclearance. End comment.

RE: Treatment of Privileged Information Regarding CBP Internal Guidance Pertaining to Implementation of the January 27, 2017 Executive Order (“Protecting the Nation from Terrorist Entry into the United States”) and Response to Judicial Actions Relating to Such Executive Order

Dear Mr. Roth:

It is my understanding that on January 30, 2017, the U.S. Department of Homeland Security’s Office of the Inspector General (OIG) asked that U.S. Customs and Border Protection (CBP) provide OIG the internal guidance issued by CBP in response to the signing of the January 27, 2017 Executive Order (EO) and any guidance provided in response to the various judicial actions initiated in relation to that EO, to facilitate an IG investigation. This request preceded the January 31, 2017, issuance by your office of a Preservation Notice in relation to this investigation, which CBP is actively in the process of implementing. Given that the guidance responsive to the initial request is based on advice provided by CBP’s Office of Chief Counsel (OCC), in coordination with the DHS Office of General Counsel (OGC), we expect this production to implicate a number of executive privileges against disclosure, including but not limited to the attorney client and attorney work product privileges.

To preserve the privileges that have attached to these materials, while also providing the IG expedited access to the information necessary for its investigation, please note the following:

1. CBP’s sharing of this information with the IG does not constitute a waiver of any privilege for any purpose;
2. the materials and statements that are considered privileged by CBP will not be disclosed to parties outside the Department, unless specifically authorized to do so in writing by my office and the DHS Office of General Counsel (OGC);

Inspector General John Roth

Page 2

3. should any third party seek the materials, the IG will alert my office and OGC so that CBP, in consultation with OGC and OCC, may assert the Department's legal position – that the disclosure of the materials by the Department to the IG does not waive any privileges that have attached to the information sought. IG must refer any requests for designated privileged information to my office and OGC and must not release such information to such third parties without our approval, absent a court order; and
4. all Department employees and former-federal employees with knowledge of this matter whom the IG may seek to interview in connection with its inquiry must be informed, upon IG request, that CBP, OCC and OGC do not view cooperating with the IG as waiving any Department privileges and will encourage all such individuals or entities to cooperate fully with the IG.

With the concurrence of IG counsel, in order to expedite the production of responsive materials, all documents produced in connection with this investigation will be marked as originating from CBP, and applicable *and potentially applicable* privileges and protections will be identified to ensure proper handling and consultation consistent with this letter. The attached materials represent documents identified through February 1, 2017, as responsive to the January 31, 2017, IG request.

Should you have any questions or concerns about the position articulated in this letter regarding the release of information and the assistance CBP is providing to the IG, please do not hesitate to contact me and I would be happy to discuss the matter with you.

Sincerely,

January 31, 2017

Mr. John F. Kelly  
Secretary  
Department of Homeland Security  
Washington, D.C. 20528

Dear Secretary Kelly,

I am writing to request information about President Trump's executive order (EO) banning travel to the United States from Iran, Iraq, Syria, Sudan, Somalia, Libya, and Yemen for 90 days and suspending all refugee admission from those nations for 120 days. Thank you for your prompt attention to this request.

The safety and security of the American people is our highest national imperative. However, President Trump's EO puts our men and women in uniform at greater risk and fundamentally contradicts our nation's values. By unilaterally shutting America's door on those fleeing war and persecution in hope of a better life in the United States, we break the promise of our fundamental principle: that our nation is enriched by those who come from different lands and who bring their talents, hopes, and hunger for freedom. This type of blanket discrimination is shameful and morally reprehensible. It's not who we are as Americans.

I ask that you provide the following information regarding the President's EO to address my concerns and those of my constituents:

- How many people, if any, have been detained at Minneapolis-St. Paul International Airport (MSP) since Friday due to the EO?
- Are there currently individuals in detention at MSP due to the EO; if so, how many?
- How many people have been refused entry/returned to their port of origin?
- If no additional detentions/refusals of admission/returns during this period in 2017 are attributed to the EO, please provide how many of each took place during the same 48 (or 72) hour time period last weekend? How many of each took place during the same period during the weekend before last?

- Have all individuals affected by the EO been given the opportunity to request a credible fear interview? If not, why not? How many of the individuals found to have a credible fear of persecution have been released?
- Is the EO being applied to lawful permanent residents (LPRs)? If yes, please explain the procedures under which LPRs are being screened upon entry. If not, please explain whether there have been any changes at MSP to the admission/screening of LPRs from the seven listed countries.
- Are LPRs being presented with I-407 forms during their flights? If yes, by whom and at whose specific direction are forms being distributed?
- Are LPRs with I-407 forms—whether distributed in flight or after arrival—being permitted access to an attorney? If so, how? If not, are they being permitted access to family? If so, how?
- Reports are mixed regarding whether dual citizens, who carry citizenship from an affected country, are being screened for removal under the EO. What has been the practice at MSP since Friday, January 27, 2017?
- What is the procedure for an attorney to gain access to a client detained by MSP Customs and Border Protection (CBP)?
- If not previously answered, how is CBP at MSP complying with the nationwide temporary restraining orders that are in effect?
- What is CBPs protocol for Somalis and other nationals named in the EO who have green cards and other lawful status/visas that are seeking entry via our northern border with Canada?

Thank you for your attention to this request. Please direct your response to Sara Severs in my Mankato, MN office. Sara can be reached at (507) 388-2149. I look forward to working with you to address this issue as swiftly as possible.

I know you are very busy today. I am trying to understand how the President's Executive Order is being handled at MSP airport after this weekend's litigation and adjustments from DHS. It is my understanding that information is coming from people at the Office of Congressional Affairs.

I am happy to talk to them, if you could provide their information.

If anyone is available to talk specifically about operations at MSP, I am eager to learn.

Best regards,

**SUBJECT:** Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia,

Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison [REDACTED] **(b)(7)(E)** Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at [REDACTED] **(b)(7)(E)** [REDACTED] For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at [REDACTED] **(b)(6), (b)(7)(C)**

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Oder Reporting attached.

**Please use this version** of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

**Also required** is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

Thank you,

Deputy Executive Director, Operations (Acting)  
Office of Field Operations

**SUBJECT:** Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitted using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

**ACTION MEMO FOR ACTING SECRETARY SHANNON**

FROM: PRM – (b)(6), (b)(7)(C) Acting

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

**Recommendation**

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve  (b)(6), (b)(7)(C) 1/28/17 Disapprove \_\_\_\_\_

**Background**

(SBU) The Executive Order “Protecting the Nation from Foreign Terrorist Entry into the United States” (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that “the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States.”

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign

nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E) (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

Area Port Directors,

Attached is the updated reporting spreadsheet that should be utilized for your reporting going forward. Of course everything is fluid so you this spreadsheet could be updated once again.

This spreadsheet has 9 columns instead of 7. Those two additional columns are for **LPR's not granted Waivers** and they have separated the **number of Immigrant visas encountered from number of LPR's encountered**. Those are now 2 separate columns.

I would also like to move the reporting times up by a half hour.

All times are CST

0330  
1330  
1930

Thanks,

If I may I would like to send out the attached reporting template to the ports. Just spoke to field liaison and they don't think it will be changed. Of course everything is fluid so you never know. But this way we can provide them the correct reporting document for the time being.

MEMORANDUM FOR: Directors, Field Operations

FROM: (b)(6), (b)(7)(C)  
 Deputy Executive Director, Operations (Acting)  
 Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Good afternoon DFOs and ADFOs,

Please see the **newest version** of the Executive Order Reporting attached.

**Please use this version** of the reporting requirements for your Field Offices. Please do not use a different spreadsheet, just plug in your numbers under your Field Office tab. Do not change anything as there are formulas in the spreadsheet.

Please include the **CATs email address** when responding.

The next report is due by 1500 hours (EST).

**Also required** is an updated list of the EO Individuals Being Held at the same time you submit your numbers. I've attached the spreadsheet already created from what was submitted this morning. Please update but do not delete from it.

If you have any questions, please let myself know or Branch Chief (b)(6), (b)(7)(C)

Thank you,

Deputy Executive Director, Operations (Acting)  
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E) Reports

must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E) (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

## **DHS STATEMENT ON COMPLIANCE WITH COURT ORDERS AND THE PRESIDENT'S EXECUTIVE ORDERS**

WASHINGTON - Upon issuance of the court orders yesterday, U.S. Customs and Border Protection (CBP) immediately began taking steps to comply with the orders. Concurrently, the Department of Homeland Security continues to work with our partners in the Departments of Justice and State to implement President Trump's executive order on protecting the nation from foreign terrorist entry into the United States.

We are committed to ensuring that all individuals affected by the executive orders, including those affected by the court orders, are being provided all rights afforded under the law. We are also working closely with airline partners to prevent travelers who would not be granted entry under the executive orders from boarding international flights to the U.S. Therefore, we do not anticipate that further individuals traveling by air to the United States will be affected.

As Secretary Kelly previously stated, in applying the provisions of the president's executive order, the entry of lawful permanent residents is in the national interest. Accordingly, absent significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations.

We are and will remain in compliance with judicial orders. We are and will continue to enforce President Trump's executive order humanely and with professionalism. DHS will continue to protect the homeland.

## **FACT SHEET: Protecting the Nation from Foreign Terrorist Entry to the United States**

WASHINGTON - The executive order signed on January 27, 2017, allows for the proper review and establishment of standards to prevent terrorist or criminal infiltration by foreign nationals. The United States has the world's most generous immigration system, yet it has been repeatedly exploited by terrorists and other malicious actors who seek to do us harm. In order to ensure that the United States government can conduct a thorough and comprehensive analysis of the national security risks posed from our immigration system, it imposes a 90-day suspension on entry to the United States of nationals of certain designated countries—countries that were designated by Congress and the Obama Administration as posing national security risks in the Visa Waiver Program.

In order to protect Americans, and to advance the national interest, the United States must ensure that those entering this country will not harm the American people subsequent to their entry, and that they do not bear malicious intent toward the United States and its people. The executive order protects the United States from countries compromised by terrorism and ensures a more rigorous vetting process. This Executive Order ensures that we have a functional immigration system that safeguards our national security.

This executive order, as well as the two issued earlier in the week, provide the Department with additional resources, tools and personnel to carry out the critical work of securing our borders, enforcing the immigration laws of our nation, and ensuring that individuals who pose a threat to national security or public safety cannot enter or remain in our country. Protecting the American people is the highest priority of our government and this Department.

The Department of Homeland Security will faithfully execute the immigration laws and the President's executive order, and we will treat all of those we encounter humanely and with professionalism.

### **Authorities**

The Congress provided the president of the United States, in section 212(f) of the Immigration and Nationality Act (INA), with the authority to suspend the entry of any class of aliens the president deems detrimental to the national interest. This authority has been exercised by nearly every president since President Carter, and has been a component of immigration laws since the enactment of the INA in 1952.

### **Actions**

For the next 90 days, nearly all travelers, except U.S. citizens, traveling from Iraq, Syria, Sudan, Iran, Somalia, Libya, and Yemen will be temporarily suspended from entry to the United States. The 90 day period will allow for proper review and establishment of standards to prevent terrorist or criminal infiltration by foreign nationals.

Importantly, however, lawful permanent residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed for exceptions at arrival ports of entry, as appropriate. The entry of these individuals, subject to national security checks, is in the national interest. Therefore, we expect swift entry for these individuals.

In the first 30 days, DHS will perform a global country-by-country review of the information each country provides when their citizens apply for a U.S. visa or immigration benefit. Countries will then have 60 days to comply with any requests from the U.S. government to update or improve the quality of the information they provide.

DHS and the Department of State have the authority, on a case-by-case basis, to issue visas or allow the entry of nationals of these countries into the United States when it serves the national interest. These seven countries were designated by Congress and the Obama Administration as posing a significant enough security risk to warrant additional scrutiny in the visa waiver context.

The Refugee Admissions Program will be temporarily suspended for the next 120 days while DHS and interagency partners review screening procedures to ensure refugees admitted in the future do not pose a security risk to citizens of the United States.

The executive order does not prohibit entry of, or visa issuance to, travelers with diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas.

The Department of Homeland Security along with the Department of State, the Office of the Director of National Intelligence, and the Federal Bureau of Investigation will develop uniform screening standards for all immigration programs government-wide.

Upon resumption of the U.S. Refugee Admissions Program, refugee admissions to the United States will not exceed 50,000 for fiscal year 2017.

The Secretary of Homeland Security will expedite the completion and implementation of a biometric entry-exit tracking system of all travelers into the United States.

### **Federal Government**

As part of a broader set of government actions, the Secretary of State will review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal.

The Department of State will suspend the Visa Interview Waiver Program and ensure all individuals seeking nonimmigrant visas undergo an in-person interview.

### **Transparency**

The Department of Homeland Security, in order to be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest will make information available to the public every 180 days. In coordination with the Department of Justice, DHS will provide information regarding the number of foreign nationals charged with terrorism-related offense or gender-based violence against women while in the United States.

EXECUTIVE ORDER

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

ACTION MEMO FOR ACTING SECRETARY (b)(6)

FROM: (b)(6), (b)(7)(C)

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

### Recommendation

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6), (b)(7)(C) Disapprove \_\_\_\_\_

### Background

(SBU) The Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that "the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States."

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

**(b)(7)(E)**

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

For Immediate Release

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST  
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

I was advised by HQ regarding information contained in the CBP Executive Order Tracking Report on Protecting the Nation from Foreign Terrorist Entry Into the U.S. This report indicated the anticipated arrival of 1,200 refugees from various countries shortly. Not much additional details regarding our specific AOR and when this will happen. But please let me know if you need any help when the time comes.

All,

Attached please find the guidance which we have just received from the White House counsel, Donald F. McGahn.

It states in pertinent part (key portion highlighted):

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Accordingly,

Good afternoon,

Sorry, one more thing I wanted to raise that Mr. **(b)(6)** holds a Canadian passport, but it indicates that his place of birth was Iran. Will it create any issues with the recent immigration guidance?

Thanks again,

Good morning,

Please see the attached back up form for International Criminal Court (ICC) Prosecutor **(b)(6)**

ICC and the embassy of Gambia in Washington D.C. have contacted Department of State to request port courtesies/expedited processing for the above mentioned delegation.

**(b)(6)** The delegation will arrive this afternoon at MSP via DL 163.

I have also included passport copies, just in case.

Apologies for a short notice as we just received this information. Please let me if MSP CBP team will be able to expedite the processing through customs.

At this moment the embassy of Gambia is not sending greeters to MSP to greet the delegation.

Thank you for your assistance.
