Dear Carlos,

You've heard the news: President Donald Trump has signed an executive order initiating an immediate freeze on persons entering the United States from seven countries: Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen.

The order, "Protecting the Nation from Foreign Terrorist Entry into the United States," affects immigrant and non-immigrant visa orders and calls for the suspension of immigrant and non-immigrant individuals from entering the United States from the seven named nations for at least 90 days. Also under the order, current H-1B and other work visa holders who are currently traveling outside of the United States may not be allowed to re-enter the country to return home and to work.

Silicon Valley is just one of the areas to raise concerns, as the order affects many staff members of large tech companies. The CEOs of Microsoft, Apple, Netflix, Uber, Airbnb and Tesla Motors noted the policy would jeopardize their competitive quest for talent. According to USA Today, Google CEO Sundar Pichai condemned the order for potentially leaving some of their 200 affected employees stranded abroad.

How will this new order affect your company directly—or indirectly—as a result of its effect on American business? Join us for a breaking webinar next week to learn more from expert attorney (b)(6), (b)(7)(C)

All,
Do not respond to queries regarding the Exec Order or the TRO for now. White House is appealing decision but if pressed – direct them to the DHS inbox.
Stand-by for updates and future guidance as the situation is fluid and guidance may change, but do nothing unless directed by your Branch Chief or above.
Thanks again everyone. It's going to be another long weekend.

Importance: High

All,

Attached are two (2) tracking sheets that will help us to report to HQ:

- 1) The **FIRST** attachment is an INTERNAL SPREADSHEET that we are using to track our referrals. ARU and (b)(7)(E) Managers will be responsible for completing and submitting to the WCs.
 - a. We are responsible for tracking ALL referrals at LAX, LON, LAS, and all user fee airports (John Wayne, Ontario, etc.)
 - b. We need to account for the **TOTAL** amount of referrals encountered since the EO was issued = **CUMULATIVE**, and the **TOTAL** number of referrals between the reporting hours (**0200, 1200, 1800**) = **PERIODIC**
- 2) The **SECOND** attachment is the EXECUTIVE ORDER TRACKING SHEET. The WATCH COMMANDER will be responsible for completing and distributing to HQ.
 - a. The TOP portion is for CUMULATIVE totals
 - b. The BOTTOM portion is for PERIODIC totals
 - c. Coordinate with ARU and (b)(7)(E) Management to ensure you capture all referrals for all AORs at all airports under the FOLA

ARU and (b)(7)(E) Managers:

- 1) Work together to come up with a game plan to address the referrals. There is specific guidance as to who inspects whom. The **THIRD** attachment from Todd Hoffman addresses who gets what.
- 2) I suggest that ARU and (b)(7)(E) use the AUGMENTED ROOM (Annex) to work together. That way, the total referrals can be tracked no matter which special team vets/clears them out. It would also be beneficial for each unit to keep their own tracking sheet to record waiver requests/approvals, along with dispositions for subjects who are not seeking/granted waivers.
- 3) This situation is DYNAMIC. Be aware that changes happen rapidly, so we have to be as quick and as accurate as possible.
- 4) SO FAR, the LAX PD has been granted authority to issue **EO WAIVERS** to **RETURNING LPRs ONLY**. These will be requested via (b)(7)(E) Management.
- 5) **ALL OTHER WAIVERS MUST BE REQUESTED VIA COC WITH FINAL APPROVAL FROM THE C1 (Commissioner). This includes:**

- a. All NIVs
 - b. All IVs
 - c. Refugees
 - d. Asylees
 - e. UACs
 - f. Advance Paroles
- 6) ALL WAIVERS to the C1 must be sent to ADFO (b)(6), (b)(7)(C), and CC: the following:
- a. DFO Carlos Martel
 - b. PD (b)(6), (b)(7)(C)
 - c. APD (b)(6), (b)(7)(C)
 - d. SC (b)(6), (b)(7)(C)
 - e. ARU Managers on duty
- 7) If you have any questions...DON'T ASSUME...ASK...
- 8) If you think you can come up with a better internal tracking system, or you have a way to arrange the referrals between ARU and (b)(7)(E) that makes sense...PLEASE LET US KNOW!!! Please call me on any of my phone numbers, no matter what the time.

Thanks in advance to everyone for their effort, support, and vigilance! Also, remember that all inquiries have to be directed to (b)(6), (b)(7)(C) at (b)(6), (b)(7)(C) or (b)(6), (b)(7)(C). All Congressional Inquiries have to be sent to OCA - Phone: (b)(7)(E), Fax: (b)(7)(E), Email: (b)(7)(E)

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman (b)(6), (b)(7)(C)
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E) (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please

Subject: URGENT: EV EO Refugee Processing Guidelines (PLEASE FOLLOW)
Attachments: Copy of 30Jan-2 Feb Booking Spreadsheet Details (2).xlsx
Importance: High

All,

Every single refugee and asylee needs to be granted a waiver before being paroled into the United States. This is true whether the refugee/asylee is returning to the U.S., or coming to the U.S. for the first time.

Our Port Director (PD) has been delegated the authority to grant waivers to the refugees listed in the attachment above, however, every refugee must still be fully (b)(7)(E) with a waiver request sent to the APDs (b)(6), (b)(7)(C) for dissemination.

Any refugee *not* listed on the attached spreadsheet cannot be granted a waiver by the LAX PD, and an *immediate* notification must be sent to management's attention via email, since these waivers can only be granted by the C1.

Furthermore, all refugees/asylees encountered at LAX *must* be tracked and recorded, then incorporated into the Crisis Action Team's cumulative list of encounters (located in the CAT AOR).

Any questions or concerns should be brought to the immediate attention of the Section Chiefs, as well as the CAT Chief on-duty (b)(6), (b)(7)(C)

Subject: FW: Re-Delegation of EO Section 5 Refugee Waiver Authority
Importance: High

Please see below HQs guidance that identifies refugees arriving into LAX that have been authorized travel and delegates C1 authority to you as the Port Director to grant the waivers. Prior to admission specific instructions must be completed which I have high-lighted below:

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. **842 refugees (complete list attached)** have been authorized to travel to the United States from January 30th – February 2nd. These are first time entrants and thus should only arrive to the seven (7) designated POEs:

- JFK
- Newark
- Miami
- Chicago
- Dulles
- LAX**
- Houston

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

Today's Notable Black History Facts: National Black History Month - February 1-28, 2017

National Black History Month – February 1-28, 2017
 Theme: “*Crisis in Black Education*”

Black History Month, also known as African-American History Month in America, is an annual observance in the United States, Canada, and the United Kingdom for remembrance of important people and events in the history of the African diaspora. It is celebrated annually in the U.S. and Canada in February, and in the U.K. during the month of October.

National Black History Month originated in 1915, when historian and author Dr. Carter G. Woodson founded the Association for the Study of Negro Life and History (ASALH). Dr. Woodson initiated the First Negro History Week on February 26, 1926. The month of February was chosen because it coincided with the birthday of Abraham Lincoln on February 12th, and of Frederick Douglass on February 14th, both of which dates Black communities had celebrated together since the late 19th century. The official shift from Black History Week to Black History Month, was in 1976 on the 50th anniversary of the beginning of Negro History Week, the ASALH made the shift to Black History Month. Every U.S. president since Gerald R. Ford through Barack Obama has issued a statement honoring the spirit of Black History Month.

In honor of Black History Month, the LAX-DIPC will share important facts and information about Black history each week throughout the month of February. As we recognize the history, culture, and contributions of African-Americans, I encourage you to participate in events being held in your local areas and throughout your communities. The LAX-DIPC will also host an event to celebrate Black History Month on Thursday, February 23, 2017, beginning at 11:30AM. *Flyers will be posted at a later date.

Today’s Notable Black History Fact(s):

- **Carter G. Woodson** (Author/Historian) – Known as the “Father of Black History,” Carter G. Woodson was born in Buckingham County, Virginia on December 19, 1875, and was the son of former slaves, James and Eliza Woodson. Coming from a large, poor family, he could not regularly attend school. Through self-instruction, Woodson mastered the fundamentals of common school subjects by age 17. Wanting more education, Carter went to Fayette County to earn a living as a miner in the coal fields. He was able to only devote a few months each year to his schooling. Woodson contended that “*the teaching of black history was essential to ensure the physical and intellectual survival of the race within broader society.*”

- **Brown vs. Board of Education** – In 1954, Brown vs. Board of Education struck down the segregated school system in a landmark case. Desegregation was a civil rights gain, as it granted access to *all* students. However, some states and districts undermined the spirit of equal and equitable opportunity. For example, Mississippi spent \$81.66 to educate a white student compared to \$21.77 for a black student. Even the curriculum was different for white and black students.

This project code is intended to capture all costs as a direct result of the Executive Order (E.O.) that are not for work already being captured by a previously issued national project code.

Normal location codes (i.e. (b)(7)(E) (b)(7)(E) (b)(7)(E)) should continue to be used in conjunction with the new project code (see below examples for on-shift hours and overtime work tickets).

All hours associated with the E.O (on shift and overtime) need to be updated to include the Project Code (b)(7)(E) in (b)(7)(E) beginning Friday, 1/27/17 to present. All,

There has been some confusion regarding whom to refer and whom is inadmissible under the newly signed EV Executive Orders under President Trump.

Some guidance was obtained and is as follows:

- 1) Persons with dual citizenship applying as visa waiver applicants shall be treated as citizens of the country for which they present their passport. For example, if a dual citizen of Australia and Iran presents an Australian passport, that person is Australian, and only the Australian citizenship will be recognized.
- 2) Persons with VWP passports that were subject to the Miller Bill requirements, who have a valid B1/B2 USNIV because they are dual citizens or traveled to one of the seven listed countries, are admissible.
- 3) Crewmembers with C1/D visas who are nationals of the seven listed countries may not be denied landing rights, and must be processed for withdrawal or granted a waiver for admission.

Further guidance will be forthcoming. Please remember that this situation is unique and dynamic, and should you have any questions, or are unsure about the current guidelines, don't hesitate to ask.

Message from Secretary Kelly on the Executive Order on Protecting the Homeland

Implementing President Trump's Executive Order on Protecting the Homeland

To all Department of Homeland Security personnel:

As you have likely seen in the news, it's been a busy weekend for DHS personnel. On Friday, President Trump signed an Executive Order to provide further guidance to DHS on enforcing our immigration laws and to suspend entry into the United States certain classes of foreign nationals in order to ensure our immigration system is working in a way that best protects the safety and security of the American public.

As we worked to implement this Executive Order, a number of court orders were issued based on lawsuits filed in the wake of the order. Upon issuance of the court orders, U.S. Customs and Border Protection (CBP) immediately began taking steps to comply with the orders and did so with professionalism.

Concurrently, the Department of Homeland Security continues to work with our partners in the Departments of Justice and State to implement President Trump's Executive Order to protect the Nation from foreign terrorist entry into the United States.

We are committed to ensuring that all individuals affected by the Executive Orders, including those affected by the court orders, are being provided all rights afforded under the law. We are also working closely with airline partners to prevent travelers who would not be granted entry under the Executive Orders from boarding international flights to the United States.

As I said over the weekend, in applying the provisions of the President's Executive Order, the entry of lawful permanent residents is in the national interest. Accordingly, absent significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations.

We are and will continue enforcing President Trump's Executive Order humanely and with professionalism. We are and will remain in compliance with judicial orders. DHS will continue to protect the homeland.

Thank you to all the men and women on the front lines who worked to implement the President's guidance. You are a credit to your agencies and this Department.

Sincerely,

John F. Kelly
Secretary of Homeland Security

With honor and integrity, we will safeguard the American people, our homeland, and our values.

President Trump signs Executive Orders

President Donald J. Trump signed two Executive Orders (E.O.) today that will have a direct and immediate impact on the Department's operations and mission execution.

The first E.O., Enhancing Public Safety in the Interior of the United States, sets forth the enforcement priorities DHS will use moving forward, reinstates Secure Communities and details other significant changes to federal immigration policy. Notably, President Trump has directed that all appropriate action be taken for ICE to hire 10,000 additional immigration officers.

The second E.O., Border Security and Immigration Enforcement Improvements, focuses on the Southern Border infrastructure, and addresses detention and asylum procedures, in addition to directing all appropriate action be taken for CBP to hire 5,000 border patrol agents, as well as a number of other very important issues.

You can view the [Executive Orders here](#), and I urge that all employees read them thoroughly.

More specific information on the implementation of the Executive Orders will be forthcoming shortly.

FY 2017 Joint Awards Committee (JAC) Superior Achievement Award Information

To NTEU Represented Bargaining Unit Employees and their Supervisors,

The time has arrived for the **FY 2017 JAC** superior achievement award nomination process. These nominations are due on a quarterly basis to your supervisor as specified in the attached memorandum. **(NOTE: DUE TO LATE ISSUANCE OF THIS MEMORANDUM THE, QUARTER 1 SUBMISSIONS WILL STILL BE ACCEPTED THROUGHOUT THE SECOND QUARTER)**

PROCEDURES

The Superior Achievement Award process is **automated** and can be accessed through Share Point under LAX Operations Branch (see attachment JAC Award input and approval instructions) and link below. All nominations to be input on the Awards and Recognition Form (CBP Form 80) electronically. Once the form is complete the nominator will be able to automatically forward the nomination to their first line supervisor for validation*. Supervisors will receive an email which will notify them that an award nomination is awaiting their approval. The supervisors will be able to review the form for eligibility, electronically validate the form, and forward to the JAC committee. **If supervisors do not validate the award form and ensure that the award submitted is for superior achievement, the JAC award committee will not be able to view the nomination.** Employees must submit the award nomination to their supervisor no later than the date specified in the attached memorandum for each respective quarter.

*Employees represented by NTEU, at their option, will be able to print a copy of their award submission for presentation to their local designated NTEU representative. **If you need a copy for this purpose, you must**

print before you submit the award to your supervisor for validation. In addition, when employees enter their nominations please use names over hash id's.

Award nominations that contain assertions of high achievement or the demonstration of excelled performance will receive little weight unless the nomination contains detailed factual specifics that support the assertions made in the nomination. An example of this situation would be Employee X has performed many enforcement actions and received many letters of appreciation this would receive little weight. Officer X has made 32 enforcement actions including 2 kgs. of opium and has received a letter of appreciation from Agency ABC on 10/12/15 and Agency DEF on 11/11/16 for excellent work. These are the specifics that are needed to support the assertions. Additionally, it would be beneficial if the nominations reference CBP priorities and how the superior performance has supported these CBP priorities in order for the JAC to evaluate the nomination.

The JAC will be evaluating Superior Achievement Award nominations based on the superior performance of the employee or group over the entire fiscal year. The justification for the award should indicate how the performance is ongoing and not confined only to a specific instance or of a limited duration. A single specific instance of superior performance while worthy of an award is normally considered a Special Act Award which is not under the jurisdiction of the JAC and therefore a submission of this type would not be found to be meritorious for a Superior Achievement Award unless this single act was used to support the detailed excelled performance over the entire rating period. As an example if an employee is responsible for a significant enforcement action then this would be a Special Act Award candidate but if the employee is responsible for a significant enforcement action every week or has made many referrals or many examinations every week then this could then be a Superior Achievement Award candidate.

Supervisors in reviewing the award nominations should ensure that **only** Superior Achievement nominations are submitted for the JAC. The form is multi use and On the Spot and Special Act award nominations do not go to the JAC but are sent through the normal chain of command. The **Supervisor is to ensure the last 4 digits of the nominated employee's SSN#** to the Superior Achievement award before routing **DIRECTLY** to the JAC committee by their due date. These nominations do **not** go through the normal chain of command. If a supervisor nominates an employee then their supervisor validates the form and then sends it to the JAC committee. The supervisor in validating the nomination does three things, ensures that the employee has a pass on their annual performance appraisal; the activities articulated are not for union activities; that the information supporting the nomination is correct, if not the supervisor needs to articulate the discrepancy in an **email to Section Chief**: (b)(6), (b)(7)(C) but still submit the nomination to the JAC committee.

****The JAC committee will no longer accept group/team nominations. All individuals on a team will have to have their nominations submitted individually explaining the accomplishments of the nominee and demonstration of superior achievement.***

The JAC will process all Superior Achievement Award nominations for all ports under the jurisdiction of the Area Port Director of Los Angeles International Airport, including the Port of Las Vegas.

National Mentor Month

Ladies and Gentlemen:

Since January is “National Mentor Month” and January 19th is “National Thank A Mentor Day” I wanted to take a moment and share with you a simple but powerful resource to help make 2017 your best year! Perhaps getting a mentor was one of your New Year Resolutions? If it wasn’t – it should be! I can personally attest to the fact that having Mentors in my life have greatly benefitted me throughout my career.

For those of you who have already enrolled as a Mentee – thank you for taking the time to invest in your career. For those of you who have volunteered to serve as a Mentor – thank you for contributing to the future of CBP by sharing your knowledge with others. The Los Angeles Field Office has robust participation in the program; however there are several mentees and mentors that remain unmatched. This month is a great time to take the next step and commit to selecting a Mentor and a good time to volunteer to become a Mentor. The new Portal makes it easier to search the Mentors registered in the system. Many employees, just like you, have

begun reaching their individual goals and others have been able to share experiences while developing their leadership skills. If this sounds like something you've been looking for, I highly recommend getting started today by clicking on the link below to access CBP's Mentoring Program

Portal. (b)(7)(E)

I have dedicated a team of CBP staff to ensure that this program is successful in our Field Office. Please do not hesitate to contact (b)(6), (b)(7)(C) our Field Office Coordinator or your Port/Center level team members with any questions you may have. Complete information about the Mentor Program and who your Port/Center contacts are can be found at the Field Office SharePoint

On January 28, 2017, at 1853 hours PST, LAS was notified by the McCarran International Airport Control Center that they received information of protesters at the Terminal 3 parking garage. The McCarran Airport Director also contacted the LAS Port Director to advise that she received information that protesters were at Terminal 3 and that media may be present as well. The LAS Port Director arrived at the FIS to address protesters. There were approximately twelve protesters outside of the FIS exit point. They did not have signs and were not verbally aggressive. One protester, who identified herself as (b)(6), (b)(7)(C) Legal Director of the ACLU of Nevada, stated that her main concern was whether CBP had any passengers that were currently being detained in our custody. The LAS Port Director provided CBP PIO information to Ms. (b)(6), (b)(7)(C) but no other information. No media was present in the area. Six Las Vegas Metropolitan Police were present at the scene and stated that media presence was at the domestic baggage claim area. There was no impact to CBP operations.

Details:

On Friday, January 27, 2017, the President signed an Executive Order entitled “*Protecting the Nation from Foreign Terrorist Entry into the United States*”. The Executive Order suspends the entry of citizens from Iran, Libya, Syria, Iraq, Yemen, Somalia, and Sudan into the U.S.

On January 28, 2017, attorneys, private citizens and members of the media began to arrive at the Public Information Office (PIO) at the Tom Bradley International Terminal (TBIT). The CBP Officer assigned to PIO advised the inquiring parties to contact the Office Public Affairs. Due to the size of the crowd, a Supervisory CBPO and additional CBPOs were deployed to PIO to assist. The SCBPO and additional CBPOs handed OPA contact information to the inquiring parties. The PIO, which normally is staffed from 0700-2300 hours, was closed at 1700 due to security concerns related to the protest.

Between 1600 and 1700 hours, approximately 150 protestors arrived and began holding an organized vigil outside the TBIT departure level. There are six media vans and reporters are interviewing both passengers and protestors. There is no CBP presence in the area.

The Los Angeles World Airport (LAWA) Police Department has deployed an enhanced visible presence in the area.

(b)(7)(E)

Attorneys advertising their services and holding signs are lingering in the PIO area.

The LAX Port Director, LAWA PD Chief and the LAWA Executive Director are in close communication.

Currently, two (2) additional protests are scheduled for January 29, 2017. Attendance estimates **(b)(7)(E)** **(b)(7)(E)** indicate that at 1100 hours, 185 protestors will be at TBIT (no specific location) and at 1300 hours, 1,500 protestors will be at TBIT in the arrivals level.

CBP management at the Las Vegas International Airport (LAS) contacted the LAX Port Director and relayed information suggesting that there will be potential protests in Las Vegas in the days ahead. No further details at this time.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E)
(b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

(1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.

(2) Subjects will be allowed to withdraw their application for admission on Form I-275, without a sworn statement. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.

(3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.

(4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

(1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

(1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

(1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.

(2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your

jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. THE WHITE HOUSE
Office of the Press Secretary

For Immediate Release

January 27, 2017

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign

nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E) (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

ACTION MEMO FOR ACTING SECRETARY

(b)(6)

FROM: PRM - (b)(6), (b)(7)(C) Acting

SUBJECT: (SBU) Determination to exempt certain refugees from the President's Executive Order so they may enter the United States

Recommendation

(SBU) That you determine to admit the 872 refugees listed in Tab 1 scheduled to enter the United States through February 2 because their admission is in the national interest and would not pose a risk to the security or welfare of the United States.

Approve (b)(6), (b)(7)(C) Disapprove _____

Background

(SBU) The Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" (EO) suspends certain aspects of the US Refugee Admissions Program for 120 days, including the entry of refugees. Section 5(e) of the EO provides that "the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such refugees is in the national interest – including ... when the person is already in transit and denying admission would cause undue hardship – and it would not pose a risk to the security or welfare of the United States."

(SBU) PRM is seeking for you and DHS to determine jointly to admit 872 refugees who are already in transit through February 2. This group does not include nationals from the specific countries restricted in the Executive Order (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen). A list of these individuals is attached at Tab 1. Many of these individuals have already been moved from camps or other remote locations to U.S.-run refugee processing hubs in preparation for departure. Most have sold or relinquished their accommodations, household effects and other belongings; given up employment; and or discontinued schooling

for their children. Many have had their residency permits rescinded by their countries of asylum once granted exit permits to imminently depart to the United States and others have been preparing for life in the United States to join U.S. family members who are already here. These individuals are mostly families with children and immediate cancellation of their travel would impose extreme hardship on people who have fled persecution and conflict in order to be resettled in the U.S. Without this humanitarian measure, some refugees could be stuck in limbo or even risk being returned to a country where they would face persecution. As such, each individual in this group is in transit and denying them admission would cause undue hardship.

(b)(7)(E)

(SBU) This exemption must be jointly determined by the Secretaries of State and Homeland Security. We have coordinated with the Department of Homeland Security and understand that its Secretary is prepared to make this determination for these individuals jointly with you. Because of the nature of travel bookings, this waiver must be issued today or tomorrow to allow such travel.

THE WHITE HOUSE
Office of the Press Secretary

For Immediate Release

January 27, 2017

EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the

information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall

review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking

nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Situational Awareness: 1/27/17 Presidential Executive Order Protest Actions, Inquiries & Demonstrations

Update 8:

On Saturday, January 29, 2017, as of 16:30 hours (PDT), the number of protestors at LAX is approx. 1000 protestors, reduced in size from a peak of approximately 3,300 at 1500 hours (PDT). The crowd continues to protest on both levels of the LAX Tom Bradley International Terminal (TBIT), and has also marched in the Central Terminal Area (CTA) automobile lanes.

(b)(7)(E)

An extensive media presence has been on hand during the protest with remote broadcast vehicles assembled between Terminal 3 and TBIT.

Congresswoman Maxine Waters (43 district) and Congressman Ted Lieu (33 district) were on site requesting CBP engagement and they were provided OCA's contact info.

The Director, Field Operations Los Angeles, Carlos Martel and Area Port Director (b)(6), (b)(7)(C) are on site.

LAX Port Director (b)(6), (b)(7)(C) and the Mayor of Los Angeles, Eric Garcetti met off-site to discuss CBP's response to the EO. Mayor Garcetti later conducted media events at the LAWA Admin building and also met privately with on-site immigration attorneys.

Updates will be provided and photos are attached.

Update 7:

On Saturday, January 29, 2017, planned protests at LAX are scheduled for 1100, 1200, and 1300 hours respectively, as per LAWA PD. LAWA PD has coordinated with protest leaders and have designated the Lower Level near Parking Lot #4 on Center Way South to organize. Approximately 5,000 individuals are expected.

(b)(7)(E)

(b)(7)(E)

(b)(7)(E) Updates will be provided when applicable.

Update 6:

As of 0015 hours on January 29, 2017, there are 986 individuals confirmed to attend a protest at TBIT at 1200 hours and 5,500 confirmed to attend at 1300 hours on January 29, 2017. (b)(7)(E) While the protest groups state that the protest will be peaceful and organized, (b)(7)(E)

(b)(7)(E)

The LAX Port Director continues to work in close coordination with LAWA PD.

(b)(7)(E) (b)(7)(E)

(b)(7)(E) There continue to be approximately 100 protesters outside the FIS.

Update 5:

On January 28, 2017, at 2305 hours, the LAX Port Director met with Los Angeles City Attorney (b)(6), (b)(7)(C) and escorted him into the outer egress area of the FIS. Prior to the meeting, the City Attorney was engaging with and encouraging a large group of protesters outside the FIS, and the LAWA PD Chief was growing increasingly concerned about the security situation as a result of the City Attorney's presence and inflammatory rhetoric. Mr. (b)(6), (b)(7)(C) was demanding information regarding the number of passengers being detained, and under what authority they were being detained, how many had been deported, and was LAX implementing the ruling out of New York. The LAX Port Director advised him that at this time he could not provide any specific data, was aware of the ruling earlier in the evening, was awaiting further guidance and would pass his contact info and request for information along to OCA. It was reported that Congresswomen Barragan and Chu had recently departed the area.

Update 4:

On January 28, 2017, at 2225 hours, (b)(6), (b)(7)(C) the Chief of the Criminal Division of the U.S. Attorney's Office, arrived at the airport and was requesting information regarding passengers being detained. He was advised by the Watch Commander to contact PAO (b)(6), (b)(7)(C) LAWA PD Chief (b)(6), (b)(7)(C) also advised the Watch Commander that: (b)(7)(E)

Update 3:

(b)(7)(E)

Update 2:

On January 28, 2017, at 2115 hours, LAX management was advised that Congresswomen Nanette Barragan and Judy Chu were on site at the TBIT departures level and seen talking to the media. Approximately 100 protesters remained in the area. CBP also received a call from the Channel 2 media inquiring why PIO was closed and were advised that PIO was still operating, however at an alternate location due to the noise and distraction resulting from the protest activity.

At approximately 2130 hours, it was reported that the protesters, including the Congresswomen and media, have moved downstairs to the arrivals level outside the FIS egress. The protest has become less organized, with people milling about. (b)(7)(E)

(b)(7)(E) (b)(7)(E) The LAX Port Director continues to coordinate with LAWA PD.

Update 1:

On January 28, 2017, at 1853 hours PST, LAS was notified by the McCarran International Airport Control Center that they received information of protesters at the Terminal 3 parking garage. The McCarran Airport Director also contacted the LAS Port Director to advise that she received information that protesters were at Terminal 3 and that media may be present as well. The LAS Port Director arrived at the FIS to address protesters. There were approximately twelve protesters outside of the FIS exit point. They did not have signs and were not verbally aggressive. One protester, who identified herself as (b)(6) Legal Director of the ACLU of Nevada, stated that her main concern was whether CBP had any passengers that were currently being detained in our custody. The LAS Port Director provided CBP PIO information to Ms. (b)(6) but no other information. No media was present in the area. Six Las Vegas Metropolitan Police were present at the scene and stated that media presence was at the domestic baggage claim area. There was no impact to CBP operations.

Details:

On Friday, January 27, 2017, the President signed an Executive Order entitled "*Protecting the Nation from Foreign Terrorist Entry into the United States*". The Executive Order suspends the entry of citizens from Iran, Libya, Syria, Iraq, Yemen, Somalia, and Sudan into the U.S.

On January 28, 2017, attorneys, private citizens and members of the media began to arrive at the Public Information Office (PIO) at the Tom Bradley International Terminal (TBIT). The CBP Officer assigned to PIO advised the inquiring parties to contact the Office Public Affairs. Due to the size of the crowd, a Supervisory CBPO and additional CBPOs were deployed to PIO to assist. The SCBPO and additional CBPOs handed OPA

contact information to the inquiring parties. The PIO, which normally is staffed from 0700-2300 hours, was closed at 1700 due to security concerns related to the protest.

Between 1600 and 1700 hours, approximately 150 protestors arrived and began holding an organized vigil outside the TBIT departure level. There are six media vans and reporters are interviewing both passengers and protestors. There is no CBP presence in the area.

The Los Angeles World Airport (LAWA) Police Department has deployed an enhanced visible presence in the area.

(b)(7)(E)

Attorneys advertising their services and holding signs are lingering in the PIO area.

The LAX Port Director, LAWA PD Chief and the LAWA Executive Director are in close communication.

Currently, two (2) additional protests are scheduled for January 29, 2017. Attendance estimates **(b)(7)(E)** **(b)(7)(E)** indicate that at 1100 hours, 185 protestors will be at TBIT (no specific location) and at 1300 hours, 1,500 protestors will be at TBIT in the arrivals level.

CBP management at the Las Vegas International Airport (LAS) contacted the LAX Port Director and relayed information suggesting that there will be potential protests in Las Vegas in the days ahead. No further details at this time.

Updates to follow.
