**Importance:** High

Hi Mere,

- Regarding Exhibit E – Independent Contractor Certification form:  
This is required by the state to ensure that ID.me's employees or any of the ID.me's affiliates are not employees of the OED in any shape of form.  
In other words, OED expects the completed Exhibit E from ID.me.
- Regarding Sec. 7.1: Proposed change is fine with OED.
- I am waiting on agency's review and decision on 4.2.4.

Hope this helps. I will get back with you as soon as I can once I have OED's decision on 4.2.4.  
Thank you again!

**Subject:** Re: 2-3-21 OED Contract for ID.me Review

Hi Nameun,

HR has Exhibit C and E to sign--no problem with C, they're a bit uncertain about E simply because it sounds like it's for construction.

Final legal comments (hopefully):

- 4.2.4 ID.me will not charge Agency for detected Synthetic Identity Fraud, to include identities created and verified with a mix of real and stolen and false information, *if Agency ensures all verified claimants are processed through the SSA API in ICON following verification from ID.me.*

The requirement to ensure Synthetic Identity is known/caught and not simply "we think 100 credentials are synthetic" is important to denote here. We're happy to not charge, but we need to verify how synthetic is being caught, and the SSA API is an important indicator of this. Happy to expand more on this as needed, as it is a bit technical.

- Sec. 7.1: Proposed change: Contractor shall not enter into any subcontracts for any of the Services required by this Contract without Agency's prior written consent; *such consent will not be unreasonably conditioned, delayed or withheld.*

Thank you,

Mere and Lori,

Please find the attached with comments in sections 4.2. Payments, 7.1. Subcontracts, and 9.5 Marks.

OED accepted the rest of the ID.me's revisions and the above sections mentioned 4.2 and 9.5 (excluding 7.1) in the attached.

Mere,

Please have your legal review and get back with us on the attached. If ID.me's legal would accept the attached, I will send a finalized (clean version, no revision marks) to ID.me for signature.

In the meantime, while you are waiting on your legal counsel's review and approval or further comments on the attached, you can send the completed (1) Exhibit C – Letter of Assurance – Criminal Record Check and (2) Exhibit E – Independent Contractor Certificate.

Thank you so much for your efforts and please feel free to contact me with questions.

**Subject:** ID.me comments to contract

Hi OED team,

Apologies for the delay--it has been a bit of an insane week! I spoke with our legal team and added the following language to pricing:

- *ID.me will not charge Agency for detected Synthetic Identity Fraud, to include identities created and verified with a mix of real and stolen and or false information.*
- *ID.me will charge Agency for detected Socially Engineered fraud, to include individuals who verify through job, romance, financial or other*

*schemes, as those individuals do indeed exist.*

Additionally, our legal team does request to exclude 9.1.5 and 9.2 (see attached). Please let me know if you have additional questions--we work weekends and can turn something around (probably) or have a meeting Monday with counsel if that is needed. I know we're trying to get this in place ASAP and I do apologize on the delays on our side.

Thank you!
