Afternoon!

Q: Is there someone on your side my tech team should work with to get this set up? (You or someone else?)

Thanx!

Subject: Re: Quote for OED

Hi Dave!

Happy New Year to you and the OED team! We're excited to kick off 2021 with this project with you all. In order to accurately give SHI a quote, I need the number of verification credentials you will be purchasing.

While we do charge 2 different fees based on if the user is a new or returning (previously verified by ID.me) user, it's difficult to ascertain what percentage of your users will be pre-verified. All of our other partners have purchased X number of credentials, and then, in addition to daily/weekly reporting, we send monthly invoices that show how the credentials have been broken down between new issuances/network renewals. Does that make sense?
For the other items:

- I've attached an example ▮ file and the integration guide, which contains step-by-step directions (we also go over this in-depth during an onboarding call). For the ▮ the time stamp is set to UTC and the naming convention for the file is:
  ▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮
- **Hosted Landing Page:** The banner image is 1300px X 450px and the logo is 60px X 60px (jpg or png preferred). Here are a few examples (please do not verify through them!): Washington, Georgia, Indiana
- **Help.ID.me Page:** We recommend creating an OED specific help page on Help.ID.me. If you can provide the copy/images in word format we can easily add the page here. North Dakota has received great feedback from claimants on their page, so we do recommend that specific one. Other states have also preferred to keep it very generic and point back to their own state FAQ page.

Please let me know if you have any questions.

Thank you,

> Hi Mere, I hope you had a good couple of holiday's. The Oregon Employment Department is looking forward to working with ID.me. We are would like to get our procurement process started and would like a quote provided through SHI. The quote would be for a State landing page, per match cost (new and existing ID), and a statement of work. If there is more you need to generate the quote, just let us know. I have include Nameun from

procurement and Lori who will be our project manager.

I also receive some additional questions from our IT shop. What method/s does ID.me use to send us results? I believe you told us ████ but I wanted to verify. When possible, they would also like a sample file or file layout so we can start setting our systems up internally to process the file.

Thanks in advance
