Jean,

Thank you for responding to our request for a speaker.

As you requested here's some additional information about our event and organization.

The event is sponsored by the International Association of Workforce Professionals (IAWP) IAWP is a 115 year old organization comprised of individuals and organization who are involved in the workforce development system. Many of our members are employed by state workforce organizations and are involved in unemployment insurance.

Workforc360 is our annual virtual workforce development conference. The dates for the conference are April 15 -16, 2021. We would appreciate a speaker on unemployment insurance fraud for one hour on either day. We expect 300 participants but hope for many more.

Do you and/or Mere have time to visit over the phone to discuss? My mobile number is 512-705-3857.

Thanks again for your quick response and I look forward to hopefully visiting with you.

Regards,

Steve

Hi Steve, we received your request for a speaker. We'd be happy to have Mere Work join the event to speak about unemployment fraud. We have great content!

Can you share more information about the org, the audience and the amount of time Mere will have?

Thanks,
Jean
